

General Assembly

Substitute Bill No. 32

February Session, 2002

AN ACT CONCERNING THE AUTHORIZATION OF BONDS OF THE STATE FOR CAPITAL IMPROVEMENTS AND OTHER PURPOSES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (*Effective July 1, 2002*) The State Bond Commission shall
2 have power, in accordance with the provisions of sections 1 to 7,
3 inclusive, of this act, from time to time to authorize the issuance of
4 bonds of the state in one or more series and in principal amounts in the
5 aggregate, not exceeding \$78,713,000.

6 Sec. 2. (*Effective July 1, 2002*) The proceeds of the sale of said bonds,
7 to the extent hereinafter stated, shall be used for the purpose of
8 acquiring, by purchase or condemnation, undertaking, constructing,
9 reconstructing, improving or equipping, or purchasing land or
10 buildings or improving sites for the projects hereinafter described,
11 including payment of architectural, engineering, demolition or related
12 costs in connection therewith, or of payment of the cost of long-range
13 capital programming and space utilization studies as hereinafter
14 stated:

15 (a) For the State Comptroller: Development and implementation of
16 a core financial systems project, not exceeding \$35,000,000.

17 (b) For the Department of Information Technology:

18 (1) Development and implementation of information technology

19 systems for compliance with the Health Insurance Portability and
20 Accountability Act (HIPAA), not exceeding \$25,000,000;

21 (2) Development and implementation of the Connecticut Education
22 Network, not exceeding \$10,000,000, provided such bond proceeds
23 may not be used to acquire an interest in any lease the term of which is
24 less than the term of such bonds.

25 (c) For the Department of Public Works: Various security
26 improvements, not exceeding \$3,000,000.

27 (d) For the Department of Environmental Protection: Dam repairs,
28 including state-owned dams, not exceeding \$3,500,000.

29 (e) For the Connecticut State University System:

30 (1) Development of a new science building, not exceeding \$800,000;

31 (2) Alterations and improvements to buildings and grounds,
32 including the development of a child and family development resource
33 center, not exceeding \$1,413,000.

34 Sec. 3. (*Effective July 1, 2002*) All provisions of section 3-20 of the
35 general statutes or the exercise of any right or power granted thereby
36 which are not inconsistent with the provisions of this act are hereby
37 adopted and shall apply to all bonds authorized by the State Bond
38 Commission pursuant to sections 1 to 7, inclusive, of this act, and
39 temporary notes issued in anticipation of the money to be derived
40 from the sale of any such bonds so authorized may be issued in
41 accordance with said section 3-20 and from time to time renewed.
42 Such bonds shall mature at such time or times not exceeding twenty
43 years from their respective dates as may be provided in or pursuant to
44 the resolution or resolutions of the State Bond Commission authorizing
45 such bonds.

46 Sec. 4. (*Effective July 1, 2002*) None of said bonds shall be authorized
47 except upon a finding by the State Bond Commission that there has
48 been filed with it a request for such authorization, which is signed by

49 the Secretary of the Office of Policy and Management or by or on
50 behalf of such state officer, department or agency and stating such
51 terms and conditions as said commission, in its discretion, may
52 require.

53 Sec. 5. (*Effective July 1, 2002*) For the purposes of sections 1 to 7,
54 inclusive, of this act, "state moneys" means the proceeds of the sale of
55 bonds authorized pursuant to said sections 1 to 7, inclusive, or of
56 temporary notes issued in anticipation of the moneys to be derived
57 from the sale of such bonds. Each request filed as provided in section 4
58 of this act for an authorization of bonds shall identify the project for
59 which the proceeds of the sale of such bonds are to be used and
60 expended and, in addition to any terms and conditions required
61 pursuant to said section 4, shall include the recommendation of the
62 person signing such request as to the extent to which federal, private
63 or other moneys then available or thereafter to be made available for
64 costs in connection with any such project should be added to the state
65 moneys available or becoming available hereunder for such project. If
66 the request includes a recommendation that some amount of such
67 federal, private or other moneys should be added to such state
68 moneys, then, if and to the extent directed by the State Bond
69 Commission at the time of authorization of such bonds, said amount of
70 such federal, private or other moneys then available, or thereafter to be
71 made available for costs in connection with such project, may be added
72 to any state moneys available or becoming available hereunder for
73 such project and shall be used for such project. Any other federal,
74 private or other moneys then available or thereafter to be made
75 available for costs in connection with such project shall, upon receipt,
76 be used by the State Treasurer, in conformity with applicable federal
77 and state law, to meet the principal of outstanding bonds issued
78 pursuant to sections 1 to 7, inclusive, of this act, or to meet the
79 principal of temporary notes issued in anticipation of the money to be
80 derived from the sale of bonds theretofore authorized pursuant to said
81 sections 1 to 7, inclusive, for the purpose of financing such costs, either
82 by purchase or redemption and cancellation of such bonds or notes or

83 by payment thereof at maturity. Whenever any of the federal, private
84 or other moneys so received with respect to such project are used to
85 meet the principal of such temporary notes or whenever principal of
86 any such temporary notes is retired by application of revenue receipts
87 of the state, the amount of bonds theretofore authorized in anticipation
88 of which such temporary notes were issued, and the aggregate amount
89 of bonds which may be authorized pursuant to section 1 of this act,
90 shall each be reduced by the amount of the principal so met or retired.
91 Pending use of the federal, private or other moneys so received to meet
92 principal as hereinabove directed, the amount thereof may be invested
93 by the State Treasurer in bonds or obligations of, or guaranteed by, the
94 state or the United States or agencies or instrumentalities of the United
95 States, shall be deemed to be part of the debt retirement funds of the
96 state, and net earnings on such investments shall be used in the same
97 manner as the moneys so invested.

98 Sec. 6. (*Effective July 1, 2002*) Any balance of proceeds of the sale of
99 said bonds authorized for any project described in section 2 of this act
100 in excess of the cost of such project may be used to complete any other
101 project described in said section 2 if the State Bond Commission shall
102 so determine and direct. Any balance of proceeds of the sale of said
103 bonds in excess of the costs of all the projects described in said section
104 2 shall be deposited to the credit of the General Fund.

105 Sec. 7. (*Effective July 1, 2002*) Said bonds issued pursuant to sections
106 1 to 7, inclusive, of this act, shall be general obligations of the state and
107 the full faith and credit of the state of Connecticut are pledged for the
108 payment of the principal of and interest on said bonds as the same
109 become due, and accordingly and as part of the contract of the state
110 with the holders of said bonds, appropriation of all amounts necessary
111 for punctual payment of such principal and interest is hereby made,
112 and the State Treasurer shall pay such principal and interest as the
113 same become due.

114 Sec. 8. (*Effective July 1, 2002*) The State Bond Commission shall have
115 power, in accordance with the provisions of sections 8 to 14, inclusive,

116 of this act, from time to time to authorize the issuance of bonds of the
117 state in one or more series and in principal amounts in the aggregate,
118 not exceeding \$31,800,000.

119 Sec. 9. (*Effective July 1, 2002*) The proceeds of the sale of said bonds
120 shall be used for the purpose of providing grants-in-aid for the
121 projects, programs and purposes hereinafter stated:

122 (a) For the Department of Environmental Protection:

123 (1) Grants-in-aid to state agencies, regional planning agencies and
124 municipalities for water pollution control projects, not exceeding
125 \$3,300,000;

126 (2) Residential Underground Storage Tank Replacement Program,
127 not exceeding \$5,500,000;

128 (3) Grant-in-aid to Boundless Playgrounds, Inc., not exceeding
129 \$1,000,000.

130 (b) For the Department of Economic and Community Development:
131 Grant-in-aid to the City of Bridgeport for the remediation of the
132 waterfront including any predevelopment costs, not exceeding
133 \$10,000,000.

134 (c) For the Department of Education: Grants-in-aid to
135 municipalities, regional school districts, and regional education service
136 centers for the costs of wiring school buildings, not exceeding
137 \$2,000,000.

138 (d) For the Department of Children and Families: Grants-in-aid for
139 the development of community residential treatment facilities for
140 juvenile girls, including any necessary acquisition of land, not
141 exceeding \$10,000,000.

142 Sec. 10. (*Effective July 1, 2002*) All provisions of section 3-20 of the
143 general statutes or the exercise of any right or power granted thereby
144 which are not inconsistent with the provisions of this act are hereby

145 adopted and shall apply to all bonds authorized by the State Bond
146 Commission pursuant to sections 8 to 14, inclusive, of this act, and
147 temporary notes issued in anticipation of the money to be derived
148 from the sale of any such bonds so authorized may be issued in
149 accordance with said sections 8 to 14, inclusive, of this act, and from
150 time to time renewed. Such bonds shall mature at such time or times
151 not exceeding twenty years from their respective dates as may be
152 provided in or pursuant to the resolution or resolutions of the State
153 Bond Commission authorizing such bonds.

154 Sec. 11. (*Effective July 1, 2002*) None of said bonds shall be
155 authorized except upon a finding by the State Bond Commission that
156 there has been filed with it a request for such authorization, which is
157 signed by the Secretary of the Office of Policy and Management or by
158 or on behalf of such state officer, department or agency and stating
159 such terms and conditions as said commission, in its discretion, may
160 require.

161 Sec. 12. (*Effective July 1, 2002*) For the purposes of sections 8 to 14,
162 inclusive, of this act, "state moneys" means the proceeds of the sale of
163 bonds authorized pursuant to said sections 8 to 14, inclusive, or of
164 temporary notes issued in anticipation of the moneys to be derived
165 from the sale of such bonds. Each request filed as provided in section
166 11 of this act for an authorization of bonds shall identify the project for
167 which the proceeds of the sale of such bonds are to be used and
168 expended and, in addition to any terms and conditions required
169 pursuant to said section 11, include the recommendation of the person
170 signing such request as to the extent to which federal, private or other
171 moneys then available or thereafter to be made available for costs in
172 connection with any such project should be added to the state moneys
173 available or becoming available under said sections 8 to 14, inclusive,
174 for such project. If the request includes a recommendation that some
175 amount of such federal, private or other moneys should be added to
176 such state moneys, then, if and to the extent directed by the State Bond
177 Commission at the time of authorization of such bonds, said amount of
178 such federal, private or other moneys then available or thereafter to be

179 made available for costs in connection with such project may be added
180 to any state moneys available or becoming available hereunder for
181 such project and be used for such project, any other federal, private or
182 other moneys then available or thereafter to be made available for
183 costs in connection with such project upon receipt shall, in conformity
184 with applicable federal and state law, be used by the State Treasurer to
185 meet the principal of outstanding bonds issued pursuant to said
186 sections 8 to 14, inclusive, or to meet the principal of temporary notes
187 issued in anticipation of the money to be derived from the sale of
188 bonds theretofore authorized pursuant to said sections 8 to 14,
189 inclusive, for the purpose of financing such costs, either by purchase or
190 redemption and cancellation of such bonds or notes or by payment
191 thereof at maturity. Whenever any of the federal, private or other
192 moneys so received with respect to such project are used to meet the
193 principal of such temporary notes or whenever the principal of any
194 such temporary notes is retired by application of revenue receipts of
195 the state, the amount of bonds theretofore authorized in anticipation of
196 which such temporary notes were issued, and the aggregate amount of
197 bonds which may be authorized pursuant to section 8 of this act shall
198 each be reduced by the amount of the principal so met or retired.
199 Pending use of the federal, private or other moneys so received to meet
200 the principal as directed in this section, the amount thereof may be
201 invested by the State Treasurer in bonds or obligations of, or
202 guaranteed by, the state or the United States or agencies or
203 instrumentalities of the United States, shall be deemed to be part of the
204 debt retirement funds of the state, and net earnings on such
205 investments shall be used in the same manner as the moneys so
206 invested.

207 Sec. 13. (*Effective July 1, 2002*) Said bonds issued pursuant to sections
208 8 to 14, inclusive, of this act, shall be general obligations of the state
209 and the full faith and credit of the state of Connecticut are pledged for
210 the payment of the principal of and interest on said bonds as the same
211 become due, and accordingly and as part of the contract of the state
212 with the holders of said bonds, appropriation of all amounts necessary

213 for punctual payment of such principal and interest is hereby made,
214 and the State Treasurer shall pay such principal and interest as the
215 same become due.

216 Sec. 14. (*Effective July 1, 2002*) In accordance with section 9 of this act,
217 the state, through the Departments of Environmental Protection,
218 Economic and Community Development, and Education may provide
219 grants-in-aid and other financings to or for the agencies for the
220 purposes and projects as described in said section 9. All financing shall
221 be made in accordance with the terms of a contract at such time or
222 times as shall be determined within authorization of funds by the State
223 Bond Commission.

224 Sec. 15. (*Effective from passage*) (a) The Secretary of the Office of
225 Policy and Management and the Commissioner of Public Works shall
226 conduct a study of the firearms training facilities in this state. On or
227 before February 3, 2003, the secretary shall submit a report on such
228 study to the bonding subcommittee of the joint standing committee of
229 the General Assembly having cognizance of matters relating to finance,
230 revenue and bonding.

231 (b) The objective of such study shall be to find a suitable
232 replacement for the Department of Public Safety's Simsbury firearms
233 training facility in order to meet the agency's firearms training needs.
234 Priority shall be given to the potential for colocation with an existing
235 facility and the use of firearms training simulators.

236 (c) The scope of the study shall include the following: (1)
237 Determining the time and capacity needs of all state agencies that
238 require their personnel to qualify with firearms, including the
239 Department of Public Safety, the Department of Correction, the
240 Military Department, the Department of Environmental Protection and
241 other protective services personnel; (2) for each agency, ascertaining
242 information regarding (A) the number of personnel that need to
243 qualify per year, (B) the number of hours needed for qualification per
244 person, (C) the type of range required, whether indoor or outdoor,

245 small arms, rifle or shotgun, (D) options for supplementing or
246 replacing firing range training with training simulators, and (E)
247 whether the agency requires on-site classroom facilities; (3) the time
248 and capacity needs of other entities that use state firearms training
249 facilities, including local police departments and federal agencies, such
250 as the Federal Bureau of Investigation and the National Guard; (4) an
251 inventory of current firearms training facilities and an evaluation of
252 each firearms training facility owned or available for use by the state
253 according to the (A) types of ranges such as indoor or outdoor, small
254 arms, rifle or shotgun, (B) capacity of each range in terms of the
255 number of persons that can use the range at the same time, (C) number
256 of hours the facility can be operated per day and on weekends without
257 creating a neighborhood nuisance, (D) on-site classroom facilities, (E)
258 potential for expansion, and (F) environmental issues at the site; (5)
259 the feasibility of developing a firearms training facility at a new site,
260 rather than an existing one; (6) the feasibility of colocating the
261 Department of Public Safety firearms training facility at an existing
262 facility; (7) the feasibility of increasing the usage of firearms training
263 simulators to reduce the need for new or expanded facilities, and any
264 potential cost savings; (8) the use of firearms training simulators by
265 other states to meet their training and certification needs; (9) the
266 feasibility or desirability of each such option, an estimate of
267 construction and operating costs for each, with a comparison to the
268 current cost to operate the Simsbury site, including the costs of
269 mitigating environmental contamination at the site, and a
270 recommendation of one such option; and (10) a tentative construction
271 budget and timetable for such option, with an indication as to how
272 much money would come from state resources and how much from
273 federal sources.

274 Sec. 16. Section 12 of special act 91-7 of the June special session, as
275 amended by section 184 of special act 92-3 of the May special session
276 and section 113 of public act 94-2 of the May special session, is
277 amended to read as follows (*Effective July 1, 2002*):
