**"AN ACT CONCERNING THE NOTIFICATION OF LIENHOLDERS
OF MOTOR VEHICLES."**

1 After the last section, add the following and renumber sections and
2 internal references accordingly:

3 "Sec. 501. (*Effective from passage*) Not later than May 31, 2004, the
4 Commissioner of Motor Vehicles shall submit a report to the joint
5 standing committee of the General Assembly having cognizance of
6 matters relating to transportation concerning the implementation of
7 the provisions of subsections (c) and (g) of section 14-164c of the
8 general statutes, as amended. The report shall include all proposed
9 changes and revisions to the standards and methods employed for the
10 conduct of emissions inspections, the number and locations of official
11 inspection stations, and the amount and method of collection of the
12 inspection fees. The report shall advise the status of the state
13 implementation plan, and of any revisions that have been made or are
14 proposed to be made to said plan, as required to be submitted and
15 approved by the United States Environmental Protection Agency, in

16 accordance with the applicable provisions of the federal Clean Air Act,
17 as amended, USC Title 42, Sections 7401 et seq., and the regulations
18 promulgated thereunder. The commissioner shall not enter into any
19 contract, or amendment to any contract that is currently in force and
20 effect, pursuant to the provisions of subsection (e) of section 14-164c of
21 the general statutes, unless such proposed contract or amendment is
22 first submitted to the joint standing committee of the General
23 Assembly having cognizance of matters relating to transportation. The
24 commissioner shall provide the committee with a plain language
25 summary of the proposed changes and a statement describing the
26 fiscal impact of the proposed changes. Said committee shall hold a
27 public hearing on the proposed contract or amendment not later than
28 fifteen days after the receipt of such contract or amendment and shall
29 examine the proposed contract or amendment and may make such
30 recommendations within forty-five days to the commissioner as it
31 deems necessary or advisable concerning the following: (1) Efficiency
32 and effectiveness of delivery of services; (2) economy of services; (3)
33 environmental impact; and (4) contractor qualifications, including, but
34 not limited to, capacity for performance and accountability. The
35 commissioner shall make such modifications to the proposed contract
36 or amendment, prior to its execution, to incorporate the
37 recommendations of said committee, unless such commissioner
38 provides the committee with a written explanation detailing why such
39 recommendations are not in the best interest of the state and should
40 not be adopted."
