Sec. 3. (*Effective July 1, 2005*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 1 to 7, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in

**Senate Bill No. 2003**

accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 4. (*Effective July 1, 2005*) None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 5. (*Effective July 1, 2005*) For the purposes of sections 1 to 7, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 1 to 7, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 4 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 4, shall include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available hereunder for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, said amount of such federal, private or other moneys then available, or thereafter to be made available for costs in connection with such project, may be added

**Senate Bill No. 2003**

to any state moneys available or becoming available hereunder for such project and shall be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall, upon receipt, be used by the State Treasurer, in conformity with applicable federal and state law, to meet the principal of outstanding bonds issued pursuant to sections 1 to 7, inclusive, of this act, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 1 to 7, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 1 of this act, shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet principal as hereinabove directed, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 6. (*Effective July 1, 2005*) Any balance of proceeds of the sale of said bonds authorized for any project described in section 2 of this act in excess of the cost of such project may be used to complete any other project described in said section 2 if the State Bond Commission shall so determine and direct. Any balance of proceeds of the sale of said bonds in excess of the costs of all the projects described in said section

**Senate Bill No. 2003**

2 shall be deposited to the credit of the General Fund.

Sec. 7. (*Effective July 1, 2005*) Said bonds issued pursuant to sections 1 to 7, inclusive, of this act, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 8. (*Effective July 1, 2005*) The State Bond Commission shall have power, in accordance with the provisions of sections 8 to 11, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$21,000,000.

Sec. 9. (*Effective July 1, 2005*) The proceeds of the sale of said bonds shall be used by the Department of Economic and Community Development for the purposes hereinafter stated:

Housing development and rehabilitation, including moderate cost housing, moderate rental, congregate and elderly housing, urban homesteading, community housing development corporations, housing purchase and rehabilitation, housing for the homeless, housing for low income persons, limited equity cooperatives and mutual housing projects, abatement of hazardous material including asbestos and lead-based paint in residential structures, emergency repair assistance for senior citizens, housing land bank and land trust, housing and community development, predevelopment grants and loans, reimbursement for state and federal surplus property, private rental investment mortgage and equity program, housing infrastructure, demolition, renovation or redevelopment of vacant

Sec. 10. (*Effective July 1, 2005*) None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion may require.

Sec. 11. (*Effective July 1, 2005*) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 8 to 11,

**Senate Bill No. 2003**

inclusive, of this act, are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 8 to 11, inclusive, of this act, and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. Such bonds issued pursuant to section 8 of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on such bonds as the same become due, and accordingly and as part of the contract of the state with the holders of such bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 12. (*Effective July 1, 2005*) The State Bond Commission shall have power, in accordance with the provisions of sections 12 to 19, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$130,347,500.

Sec. 14. (*Effective July 1, 2005*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 12 to 19, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said sections 12 to 19, inclusive, of this act, and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 15. (*Effective July 1, 2005*) None of said bonds shall be authorized except upon a finding by the State Bond Commission that

**Senate Bill No. 2003**

there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 16. (*Effective July 1, 2005*) For the purposes of sections 12 to 19, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 12 to 19 inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 15 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 15, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available under said sections 12 to 19, inclusive, for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, said amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project may be added to any state moneys available or becoming available hereunder for such project and be used for such project, any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project upon receipt shall, in conformity with applicable federal and state law, be used by the State Treasurer to meet the principal of outstanding bonds issued pursuant to said sections 12 to 19, inclusive, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of

**Senate Bill No. 2003**

bonds theretofore authorized pursuant to said sections 12 to 19, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever the principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 12 of this act shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet the principal as directed in this section, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 17. (*Effective July 1, 2005*) Said bonds issued pursuant to sections 12 to 19, inclusive, of this act, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 18. (*Effective July 1, 2005*) In accordance with section 13 of this act, the state, through the State Comptroller, the Department of Public Safety, the Department of Agriculture, the Department of

**Senate Bill No. 2003**

Environmental Protection, the Commission on Culture and Tourism, the Department of Mental Retardation, the Department of Education, the Connecticut State Library, the Department of Children and Families, the Department of Economic and Community Development, the Department of Public Health, the Department of Mental Health and Addiction Services, the Department of Social Services and the Office of Policy and Management may provide grants-in-aid and other financings to or for the agencies for the purposes and projects as described in said section 13. All financing shall be made in accordance with the terms of a contract at such time or times as shall be determined within authorization of funds by the State Bond Commission.

Sec. 19. (*Effective July 1, 2005*) In the case of any grant-in-aid made pursuant to subsection (b), (c), (d), (f), (g), (h), (i), (j), (k), (l), (m) or (n) of section 13 of this act which is made to any entity which is not a political subdivision of the state, the contract entered into pursuant to section 18 of this act shall provide that if the premises for which such grant-in-aid was made ceases, within ten years of the date of such grant, to be used as a facility for which such grant was made, an amount equal to the amount of such grant, minus ten per cent per year for each full year which has elapsed since the date of such grant, shall be repaid to the state and that a lien shall be placed on such land in favor of the state to ensure that such amount will be repaid in the event of such change in use provided if the premises for which such grant-in-aid was made are owned by the state, a municipality or a housing authority no lien need be placed.

Sec. 20. (*Effective July 1, 2006*) The State Bond Commission shall have power, in accordance with the provisions of sections 20 to 26, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$299,965,241.

**Senate Bill No. 2003**

Sec. 22. (*Effective July 1, 2006*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 20 to 26, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 23. (*Effective July 1, 2006*) None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 24. (*Effective July 1, 2006*) For the purposes of sections 20 to 26, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 20 to 26, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 23 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and

**Senate Bill No. 2003**

If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, said amount of such federal, private or other moneys then available, or thereafter to be made available for costs in connection with such project, may be added to any state moneys available or becoming available hereunder for such project and shall be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall, upon receipt, be used by the State Treasurer, in conformity with applicable federal and state law, to meet the principal of outstanding bonds issued pursuant to sections 20 to 26, inclusive, of this act, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 20 to 26, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 20 of this act, shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet principal as hereinabove directed,

**Senate Bill No. 2003**

the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 25. (*Effective July 1, 2006*) Any balance of proceeds of the sale of said bonds authorized for any project described in section 21 of this act in excess of the cost of such project may be used to complete any other project described in said section 21 if the State Bond Commission shall so determine and direct. Any balance of proceeds of the sale of said bonds in excess of the costs of all the projects described in said section 21 shall be deposited to the credit of the General Fund.

Sec. 26. (*Effective July 1, 2006*) Said bonds issued pursuant to sections 20 to 26, inclusive, of this act, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 27. (*Effective July 1, 2006*) The State Bond Commission shall have power, in accordance with the provisions of sections 27 to 30, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$15,000,000.

Sec. 28. (*Effective July 1, 2006*) The proceeds of the sale of said bonds shall be used by the Department of Economic and Community Development for the purposes hereinafter stated:

**Senate Bill No. 2003**

Housing development and rehabilitation, including moderate cost housing, moderate rental, congregate and elderly housing, urban homesteading, community housing development corporations, housing purchase and rehabilitation, housing for the homeless, housing for low income persons, limited equity cooperatives and mutual housing projects, abatement of hazardous material including asbestos and lead-based paint in residential structures, emergency repair assistance for senior citizens, housing land bank and land trust, housing and community development, predevelopment grants and loans, reimbursement for state and federal surplus property, private rental investment mortgage and equity program, housing infrastructure, demolition, renovation or redevelopment of vacant buildings or related infrastructure, septic system repair loan program, acquisition and related rehabilitation including loan guarantees for private developers of rental housing for the elderly, projects under the program established in section 21 of public act 01-7 of the June special session, and participation in federal programs, including administrative expenses associated with those programs eligible under the general statutes, not exceeding \$15,000,000.

Sec. 29. (*Effective July 1, 2006*) None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion may require.

Sec. 30. (*Effective July 1, 2006*) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 27 to 30, inclusive, of this act, are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 27 to

**Senate Bill No. 2003**

30, inclusive, of this act, and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. Such bonds issued pursuant to section 27 of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on such bonds as the same become due, and accordingly and as part of the contract of the state with the holders of such bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 31. (*Effective July 1, 2006*) The State Bond Commission shall have power, in accordance with the provisions of sections 31 to 38, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$108,665,500.

Sec. 33. (*Effective July 1, 2006*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 31 to 38, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said sections 31 to 38, inclusive, of this act, and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 34. (*Effective July 1, 2006*) None of said bonds shall be

**Senate Bill No. 2003**

authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 35. (*Effective July 1, 2006*) For the purposes of sections 31 to 38, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 31 to 38 inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 34 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 34, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available under said sections 31 to 38, inclusive, for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, said amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project may be added to any state moneys available or becoming available hereunder for such project and be used for such project, any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project upon receipt shall, in conformity with applicable federal and state law, be used by the State Treasurer to meet the principal of outstanding bonds issued pursuant to said sections 31 to 38, inclusive, or to meet the principal of temporary notes

**Senate Bill No. 2003**

issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 31 to 38, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever the principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 31 of this act shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet the principal as directed in this section, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 36. (*Effective July 1, 2006*) Said bonds issued pursuant to sections 31 to 38, inclusive, of this act, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 37. (*Effective July 1, 2006*) In accordance with section 32 of this act, the state, through the Office of Policy and Management, the

**Senate Bill No. 2003**

Department of Public Safety, the Department of Agriculture, the Department of Environmental Protection, the Commission on Culture and Tourism, the Department of Mental Retardation, the Department of Education, the Connecticut State Library, the Department of Children and Families, the Department of Economic and Community Development, the Department of Public Health, the Department of Mental Health and Addiction Services and the Department of Social Services may provide grants-in-aid and other financings to or for the agencies for the purposes and projects as described in said section 32. All financing shall be made in accordance with the terms of a contract at such time or times as shall be determined within authorization of funds by the State Bond Commission.

Sec. 38. (*Effective July 1, 2006*) In the case of any grant-in-aid made pursuant to subsection (b), (c), (d), (f), (g), (h), (i), (j), (k), (l) or (m) of section 32 of this act which is made to any entity which is not a political subdivision of the state, the contract entered into pursuant to section 37 of this act shall provide that if the premises for which such grant-in-aid was made ceases, within ten years of the date of such grant, to be used as a facility for which such grant was made, an amount equal to the amount of such grant, minus ten per cent per year for each full year which has elapsed since the date of such grant, shall be repaid to the state and that a lien shall be placed on such land in favor of the state to ensure that such amount will be repaid in the event of such change in use provided if the premises for which such grant-in-aid was made are owned by the state, a municipality or a housing authority no lien need be placed.
