3 "Section 1. Subsection (a) of section 22-26jj of the general statutes is
4 repealed and the following is substituted in lieu thereof (*Effective July*
5 *1, 2005*):

6 (a) The Commissioner of Agriculture, with the approval of the State
7 Properties Review Board, may acquire [, prior to July 1, 1995,] by

8 purchase or accept as a gift, on behalf of the state, the fee simple title of
9 any agricultural real property and any personal property related to
10 such real property, including, but not limited to, machinery,
11 equipment, fixtures and livestock. The state conservation and
12 development plan established pursuant to chapter 297 shall be used as
13 an advisory document in connection with acquisition of such property.
14 The commissioner, in deciding whether or not to acquire such
15 property, shall consider all of the factors stated in section 22-26cc and
16 shall further consider the likelihood of subsequent sale of such
17 property by the department for agricultural purposes, subject to the
18 state's retention of development rights. After a preliminary evaluation
19 of such factors, the Commissioner of Agriculture shall obtain and
20 review one or more fee appraisals of the property in order to
21 determine the value of such property. Each such appraisal shall
22 include an itemization of (1) the total value of the land, (2) the value of
23 the land as agricultural land, (3) the value of the development rights of
24 the land, and (4) the value of any related personal property proposed
25 to be included in any sale. The commissioner shall give notice of any
26 such appraisal to the Departments of Transportation, Economic and
27 Community Development and Environmental Protection and the
28 Office of Policy and Management. Any such appraisal may be obtained
29 by the owner of the property and, if performed in a manner approved
30 by the commissioner, shall be considered by the commissioner in
31 making such determination. The commissioner may purchase such
32 property for a lesser price than any price suggested by any such
33 appraisal provided all considerations for acquisition specified in this
34 subsection are taken into account. In determining the value of the
35 property, consideration shall be given to sales of comparable
36 properties in the general vicinity.

37 Sec. 2. (NEW) (*Effective July 1, 2005*) The Department of Agriculture
38 shall establish and administer a program of matching grants to
39 municipalities to further agricultural viability. Such grants may be
40 used for the following purposes: (1) Local capital projects that foster
41 agricultural viability, including, but not limited to, processing facilities

51 and other venues in which a majority of products sold are grown in the
52 state.

53 (b) The Commissioner of Agriculture shall adopt regulations, in
54 accordance with the provisions of chapter 54 of the general statutes, for
