2 following in lieu thereof:

3 "Section 1. (NEW) (*Effective October 1, 2005*) As used in sections 1 to
4 9, inclusive, of this act, unless the context otherwise requires:

5 (1) "Debilitating medical condition" means cancer, glaucoma,
6 positive status for human immunodeficiency virus or acquired
7 immune deficiency syndrome, Parkinson's disease, multiple sclerosis,
8 damage to the nervous tissue of the spinal cord with objective
9 neurological indication of intractable spasticity, epilepsy, cachexia or
10 wasting syndrome;

11 (2) "Marijuana" has the same meaning as provided in section 21a-
12 240 of the general statutes;

13 (3) "Medical use" means the acquisition and distribution, possession,
14 cultivation, use or transportation of marijuana or paraphernalia
15 relating to marijuana to alleviate the symptoms or effects of a
16 qualifying patient's symptoms, but does not include any such use of
17 marijuana by any person other than the qualifying patient. For the
18 purposes of this subdivision, "acquisition and distribution" means the
19 transfer of marijuana and paraphernalia relating to marijuana from the
20 primary caregiver to the qualifying patient;

21 (4) "Physician" means a person who is licensed under the provisions
22 of chapter 370 of the general statutes, but does not include a physician
23 assistant, as defined in section 20-12a of the general statutes;

24 (5) "Primary caregiver" means a person, other than the qualifying
25 patient and the qualifying patient's physician, who is eighteen years of
26 age or older and has agreed to undertake responsibility for managing
27 the well-being of the qualifying patient with respect to the medical use
28 of marijuana, provided (A) in the case of a qualifying patient lacking
29 legal capacity, such person shall be a parent, guardian or person
30 having legal custody of such qualifying patient, and (B) the need for
31 such person shall be determined by the qualifying patient's physician
32 and such need shall be documented in the written certification;

33 (6) "Qualifying patient" means a person who is eighteen years of age
34 or older and has been diagnosed by a physician as having a
35 debilitating medical condition;

36 (7) "Usable marijuana" means the dried leaves and flowers of the
37 marijuana plant, and any mixtures or preparations thereof, that are
38 appropriate for the medical use of marijuana, but does not include the
39 seeds, stalks and roots of the plant; and

40 (8) "Written certification" means a statement signed by the
41 qualifying patient's physician stating that, in such physician's
42 professional opinion, the qualifying patient has a debilitating medical
43 condition and the potential benefits of the medical use of marijuana
44 would likely outweigh the health risks of such use to the qualifying

45 patient.

46 Sec. 2. (NEW) (*Effective October 1, 2005*) (a) A qualifying patient shall
47 not be subject to arrest or prosecution, penalized in any manner,
48 including, but not limited to, being subject to any civil penalty, or
49 denied any right or privilege, including, but not limited to, being
50 subject to any disciplinary action by a professional licensing board, for
51 the medical use of marijuana if:

52 (1) The qualifying patient has been diagnosed by a physician as
53 having a debilitating medical condition;

54 (2) The qualifying patient's physician has issued a written
55 certification to the qualifying patient for the medical use of marijuana
56 after the physician has prescribed, or determined it is not in the best
57 interest of the patient to prescribe, prescription drugs to address the
58 symptoms for which the certification is being issued;

59 (3) The combined amount of marijuana possessed by the qualifying
60 patient and the primary caregiver for medical use does not exceed four
61 marijuana plants, each having a maximum height of four feet, and one
62 ounce of usable marijuana; and

63 (4) The cultivation of such marijuana occurs in a secure indoor
64 facility.

65 (b) Subsection (a) of this section does not apply to:

66 (1) Any medical use of marijuana that endangers the health or well-
67 being of another person; and

68 (2) The medical use of marijuana (A) in a motor bus or a school bus,
69 as defined respectively in section 14-1 of the general statutes, or in any
70 moving vehicle, (B) in the workplace, (C) on any school grounds or
71 any public or private school, dormitory, college or university property,
72 (D) at any public beach, park, recreation center or youth center or any
73 other place open to the public, or (E) in the presence of a person under
74 the age of eighteen. For the purposes of this subdivision, "presence"

75 means within the direct line of sight of the medical use of marijuana or
76 exposure to second-hand marijuana smoke, or both.

77 (c) A qualifying patient shall have not more than one primary

79 the care of more than one qualifying patient at any time. A primary
80 caregiver who is registered in accordance with subsection (a) of section
81 3 of this act shall not be subject to arrest or prosecution, penalized in
82 any manner, including, but not limited to, being subject to any civil
83 penalty, or denied any right or privilege, including, but not limited to,
84 being subject to any disciplinary action by a professional licensing
85 board, for the acquisition, distribution, possession, cultivation or
86 transportation of marijuana or paraphernalia related to marijuana on
87 behalf of a qualifying patient, provided the amount of any marijuana
88 so acquired, distributed, possessed, cultivated or transported, together
89 with the combined amount of marijuana possessed by the qualifying
90 patient and the primary caregiver, shall not exceed four marijuana
91 plants, each having a maximum height of four feet, and one ounce of
92 usable marijuana. For the purposes of this subsection, "distribution" or
93 "distributed" means the transfer of marijuana and paraphernalia
94 related to marijuana from the primary caregiver to the qualifying
95 patient.

96 (d) Any written certification for the medical use of marijuana issued
97 by a physician under subdivision (2) of subsection (a) of this section
98 shall be valid for a period not to exceed one year from the date such
99 written certification is signed by the physician. Not later than ten days
100 after the expiration of such period, or at any time before the expiration
101 of such period should the qualifying patient no longer wish to possess
102 marijuana for medical use, all marijuana plants and usable marijuana
103 possessed by the qualifying patient and the primary caregiver for
104 medical use shall be submitted to the state police. The state police shall
105 provide a written receipt for such marijuana plants and usable
106 marijuana and shall destroy such marijuana plants and usable
107 marijuana in accordance with section 54-36g of the general statutes.

108 Sec. 3. (NEW) (*Effective October 1, 2005*) (a) Each qualifying patient
109 who is issued a written certification for the medical use of marijuana
110 under subdivision (2) of subsection (a) of section 2 of this act, and the
111 primary caregiver of such qualifying patient, shall register with the
112 Department of Consumer Protection not later than five business days
113 after the issuance of such written certification. Such registration shall
114 be effective until the expiration of the written certification issued by
115 the physician. The qualifying patient and the primary caregiver shall
116 provide sufficient identifying information, as determined by the
117 department, to establish the personal identity of the qualifying patient
118 and the primary caregiver. The qualifying patient or the primary
119 caregiver shall report any change in such information to the
120 department not later than five business days after such change. The
121 department shall issue a registration certificate to the qualifying
122 patient and to the primary caregiver and may charge a reasonable fee,
123 not to exceed twenty-five dollars, for a registration under this
124 subsection.

125 (b) Upon the request of a law enforcement agency, the Department
126 of Consumer Protection shall verify whether a qualifying patient or a
127 primary caregiver has registered with the department in accordance
128 with subsection (a) of this section and may provide reasonable access
129 to registry information obtained under this section for law
130 enforcement purposes. Except as provided in this subsection,
131 information obtained under this section shall be confidential and shall
132 not be subject to disclosure under the Freedom of Information Act, as
133 defined in section 1-200 of the general statutes.

134 Sec. 4. (NEW) (*Effective October 1, 2005*) (a) The Commissioner of
135 Consumer Protection may adopt regulations, in accordance with
136 chapter 54 of the general statutes, to establish (1) a standard form for
137 written certifications for the medical use of marijuana issued by
138 physicians under subdivision (2) of subsection (a) of section 2 of this
139 act, and (2) procedures for registrations under section 3 of this act.

140 (b) The Commissioner of Consumer Protection shall adopt

141 regulations, in accordance with chapter 54 of the general statutes, to
142 establish a reasonable fee to be collected from each qualifying patient
143 to whom a written certification for the medical use of marijuana is
144 issued under subdivision (2) of subsection (a) of section 2 of this act,
145 for the purpose of offsetting the direct and indirect costs of
146 administering the provisions of sections 1 to 9, inclusive, of this act.
147 The commissioner shall collect such fee at the time the qualifying
148 patient registers with the Department of Consumer Protection under
149 subsection (a) of section 3 of this act. Such fee shall be in addition to
150 any registration fee that may be charged under said subsection. The
151 fees required to be collected by the commissioner from qualifying
152 patients under this subsection shall be paid to the State Treasurer and
153 credited to the account established pursuant to section 10 of this act.

154 Sec. 5. (NEW) (*Effective October 1, 2005*) Nothing in sections 1 to 9,
155 inclusive, of this act shall be construed to require health insurance
156 coverage for the medical use of marijuana.

157 Sec. 6. (NEW) (*Effective October 1, 2005*) (a) A qualifying patient or a
158 primary caregiver may assert the medical use of marijuana as an
159 affirmative defense to any prosecution involving marijuana, or
160 paraphernalia relating to marijuana, under chapter 420b of the general
161 statutes or any other provision of the general statutes, provided such
162 qualifying patient or such primary caregiver has strictly complied with
163 the requirements of sections 1 to 9, inclusive, of this act.

164 (b) No person shall be subject to arrest or prosecution solely for
165 being in the presence or vicinity of the medical use of marijuana as
166 permitted under sections 1 to 9, inclusive, of this act.

167 Sec. 7. (NEW) (*Effective October 1, 2005*) A physician shall not be
168 subject to arrest or prosecution, penalized in any manner, including,
169 but not limited to, being subject to any civil penalty, or denied any
170 right or privilege, including, but not limited to, being subject to any
171 disciplinary action by the Connecticut Medical Examining Board or
172 other professional licensing board, for providing a written certification

173 for the medical use of marijuana under subdivision (2) of subsection
174 (a) of section 2 of this act if:

175 (1) The physician has diagnosed the qualifying patient as having a
176 debilitating medical condition;

177 (2) The physician has explained the potential risks and benefits of
178 the medical use of marijuana to the qualifying patient and, if the
179 qualifying patient lacks legal capacity, to a parent, guardian or person
180 having legal custody of the qualifying patient; and

181 (3) The written certification issued by the physician is based upon
182 the physician's professional opinion after having completed a full
183 assessment of the qualifying patient's medical history and current
184 medical condition made in the course of a bona fide physician-patient
185 relationship.

186 Sec. 8. (NEW) (*Effective October 1, 2005*) Any marijuana,
187 paraphernalia relating to marijuana, or other property seized by law
188 enforcement officials from a qualifying patient or a primary caregiver
189 in connection with a claimed medical use of marijuana under sections
190 1 to 9, inclusive, of this act shall be returned to the qualifying patient or
191 the primary caregiver immediately upon the determination by a court
192 that the qualifying patient or the primary caregiver is entitled to the
193 medical use of marijuana under sections 1 to 9, inclusive, of this act, as
194 evidenced by a decision not to prosecute, a dismissal of charges or an
195 acquittal. Law enforcement officials seizing live marijuana plants as
196 evidence shall not be responsible for the care and maintenance of such
197 plants. This section does not apply to any qualifying patient or
198 primary caregiver who fails to comply with the requirements for the
199 medical use of marijuana under sections 1 to 9, inclusive, of this act.

200 Sec. 9. (NEW) (*Effective October 1, 2005*) (a) Any person who makes a
201 fraudulent representation to a law enforcement official of any fact or
202 circumstance relating to the medical use of marijuana in order to avoid
203 arrest or prosecution under chapter 420b of the general statutes or any
204 other provision of the general statutes shall be guilty of a class C

205 misdemeanor.

206 (b) Any person who makes a fraudulent representation to a law
 207 enforcement official of any fact or circumstance relating to the
 208 issuance, contents or validity of a written certification for the medical
 209 use of marijuana, or a document purporting to be such written
 210 certification, shall be guilty of a class A misdemeanor.

211 Sec. 10. (NEW) (*Effective July 1, 2005*) There is established a medical
 212 marijuana administration account which shall be a separate,
