31 request by any person for a temporary state permit not on a prescribed  
32 application form, or upon request by any person for such application  
33 form, the local authority shall supply [such forms] the prescribed  
34 application form. When any such request is made in person at the  
35 office of the local authority, the local authority shall supply such  
36 application form immediately. When any such request is made in any  
37 other manner, the local authority shall supply such application form

54 eight weeks after receiving an application indicating approval from the  
55 local authority, inform the applicant in writing that the applicant's  
56 application for a state permit has been approved or denied, or that the
