JUDICIARY COMMITTEE, AND OTHER INTERESTED INDIVIDUALS

RE: JUDGE HOWARD SCHEINBLUM AND DISCRIMINATION

Dear readers;

I was a visitor (as a member of the public, as is our civic right, and for support for an individual with a matter to the court), to the Enfield Superior Court on June 13, 2005, where an individual produced a brief per the courts instructions, relating to the Americans with Disabilities Act, and court access for individuals with disabilities. There was a continuance on that matter to June 27 2005, which I was visitor again.

Judge Scheinblum began the June 27, 2005 session with the reading of some rights. Prior to the continued matter I was visiting, a case was called and the proceedings were very disturbing, and discriminating. When this case was called, the individual was represented by counsel, who addressed the court, 'Your Honor, my client has a hearing impairment', prior to the proceeding in this matter. Judge Scheinblum Responded; 'Not in my courtroom'. Judge Sceinblumh? Than proceeded to **YELL HIS PROCEEDINGS TO THIS INDIVIDUAL**. I'm sorry but that's discrimination and a violation of the Americans with Disabilities Act, and basic human rights.
