House Bill 7290, An Act Concerning Public Libraries

Thank you for the opportunity to submit written testimony on behalf of the Judicial Branch regarding **House Bill 7290, An Act Concerning Public Libraries**.

Section 19 of the proposal refers to copies of amendments to municipal ordinances, etc., being deposited in bar and courthouse libraries. We would respectfully suggest the following amendment to this language:

1. In line 500 insert an opening bracket after "Library" and before the comma.
2. In line 501, insert a closing bracket after "located".
3. In line 502, insert an opening bracket before "library" and a closing bracket after "municipality and insert "libraries in the judicial district in which such municipality is located" immediately thereafter.

This suggested amendment would delete obsolete language and incorporate updated terminology.

Thank you.
