"AN ACT CONCERNING FLOODPLAIN USES."

1 Strike everything after the enacting clause and substitute the
2 following in lieu thereof:

3 "Section 1. Section 22a-430 of the general statutes is amended by
4 adding subsections (l) and (m) as follows (*Effective from passage*):

5 (NEW) (l) Notwithstanding any provision of the general statutes or
6 any regulation adopted under any provision of the general statutes,
7 the commissioner, after the effective date of this section and until two
8 years after the effective date of this section, shall not issue a permit for,
9 or accept any application for a permit for an alternative on-site sewage
10 treatment system with a capacity of greater than five thousand gallons
11 per day for any such system located or proposed to be located on
12 property having any portion of its border located less than one
13 thousand feet from the border of a state park and Long Island Sound
14 nor shall any such system be constructed on such property within such

15 time period.

16 (NEW) (m) Not later than eighteen months after the effective date of
17 this section, the Commissioner of Environmental Protection shall
18 determine, after notice and public hearing, whether alternative on-site
19 sewage treatment systems with capacities of greater than five
20 thousand gallons per day perform in accordance with applicable
21 federal and state standards and in a manner that will not impair the
22 natural resources of the state."

This act shall take effect as follows and shall amend the following sections:		
Section 1	<i>from passage</i>	22a-430
