**Proposed H.B. No. 5488**

[Proposed Bill \[pdf\]](#)

**Introducer(s):**

Rep. Lawrence G. Miller, 122nd Dist.

**Title:** AN ACT CONCERNING FLOW CAPACITY STUDIES OF AFFORDABLE HOUSING AND HIGH DENSITY HOUSING PROJECTS.

**Statement of Purpose:** To make developers of affordable housing and high density projects perform studies to determine whether the sewer effluent of their project is likely to exceed ninety per cent of the flow capacity at any sewer treatment plant.
