

February 20, 2007

Dear Senator Slossberg, Representative Caruso, and Members of the Committee:

A & A Office Systems, Inc. is a locally owned and operated "Small Business Enterprise", located in Middletown. We have been supplying numerous State Agencies with a variety of office machines for over 20 years.

Our major supplier for our State Contract is Savin Corporation, which is located in Danbury.

We would like to grow and expand our base of customers, here in Connecticut, but we are held back by the "Small Business Enterprise" sales volume cap of \$10,000,000.

I urge you to support any of the bills that would increase the maximum sales volume cap on the State Certified "Small Business Enterprise" contracts. By doing so, we could continue to grow our business, and add more jobs here in the State of Connecticut.

Sincerely,

A handwritten signature in cursive script that reads "John J. Sullivan".
