44 ownership, directly or indirectly, of fifty per cent or more of the

46 ownership of stock in a corporation, of a capital or profits interest in a  
47 partnership, limited liability company or association or of a beneficial  
48 interest in a trust shall be determined in accordance with the rules for  
49 constructive ownership of stock provided in Section 267(c) of the  
50 Internal Revenue Code of 1986, or any subsequent corresponding  
51 internal revenue code of the United States, as from time to time  
52 amended, other than paragraph (3) of said Section 267(c).

53 (b) (1) There is established a jobs creation tax credit program  
54 whereby a taxpayer who creates at least [fifty] ten new jobs [pursuant  
55 to a relocation to] in Connecticut may be allowed a credit against the  
56 tax imposed under chapter 207, this chapter or chapter 212, in an  
57 amount up to [twenty-five] fifty per cent of the income tax deducted  
58 and withheld from the wages of new employees and paid over to the  
59 state pursuant to chapter 229.

60 (2) For each new employee, credits may be granted for five  
61 successive years.

62 (3) The credit shall be claimed in the income year in which it is  
63 earned. Any credits not used in a tax year shall expire.

64 (c) Any taxpayer planning to [relocate to Connecticut and] claim a  
65 credit under the provisions of this section shall apply to the  
66 commissioner in accordance with the provisions of this section. The  
67 application shall be on a form provided by the commissioner, and shall  
68 contain sufficient information concerning the [nature of the relocation,  
69 including a detailed description of the type of business, the] number of  
70 new jobs to be created, feasibility studies or business plans for the  
71 [relocation] increased number of jobs, projected state and local revenue  
72 that might derive as a result of the [relocation] job growth and other  
73 information necessary to demonstrate [the financial viability of the  
74 relocation and] that there will be net benefits to the economy of the  
75 municipality and the state. The commissioner shall impose a fee for

76 such application as the commissioner deems appropriate.

77 (d) The commissioner shall determine whether (1) the taxpayer  
78 making the application is eligible for the tax credit, and (2) the  
79 proposed [relocation] job growth (A) is economically viable only with  
80 use of the tax credit, and (B) would provide a net benefit to economic  
81 development and employment opportunities in the state. The  
82 commissioner may require the applicant to submit such additional  
83 information as may be necessary to evaluate the application.

84 (e) (1) The commissioner, upon consideration of the application and  
85 any additional information the commissioner requires, [concerning a  
86 proposed relocation,] may approve the credit application, in whole or  
87 in part, if the commissioner concludes that the [relocation] increase in  
88 the number of jobs is economically viable only with the use of the tax  
89 credit and that the revenue generated due to economic development  
90 and employment opportunities created in the state exceeds the credit  
91 and any other credits to be taken. If the commissioner disapproves an  
92 application, the commissioner shall specifically identify the defects in  
93 the application and specifically explain the reasons for the disapproval.  
94 The commissioner shall render a decision on an application not later  
95 than ninety days after the date of its receipt by the commissioner.

96 (2) The total amount of credits granted to all taxpayers shall not  
97 exceed ten million dollars in any one fiscal year.

98 (3) A credit under this section may be granted to a taxpayer for not  
99 more than five successive income years.

100 (4) The commissioner may combine approval of a credit application  
101 with the exercise of any of the commissioner's other powers, including,  
102 but not limited to, the provision of other forms of financial assistance.

103 (f) Upon approving a taxpayer's credit application, the  
104 commissioner shall issue a credit allocation notice certifying that the  
105 credits will be available to be claimed by the taxpayer if the taxpayer  
106 otherwise meets the requirements of this section. No later than thirty

107 days after the close of the taxpayer's income year, the taxpayer shall  
108 provide information to the commissioner regarding the number of new  
109 jobs created for the year and the income tax deducted and withheld  
110 from the wages of such new employees and paid over to the state for  
111 such year. The commissioner shall issue a certificate of eligibility that  
112 includes the taxpayer's name, the number of new jobs created, and the  
113 amount of the credit certified for the year. The certificate shall be  
114 issued by the commissioner sixty days after the close of the taxpayer's  
115 income year or thirty days after the information is provided,  
116 whichever comes first.

117 (g) The commissioner shall, upon request, provide a copy of the  
118 certificate of eligibility issued under subsection (f) of this section to the  
119 Commissioner of Revenue Services.

120 (h) (1) If (A) the number of new employees on account of which a  
121 taxpayer claimed the credit allowed by this section decreases to less  
122 than the number for which the commissioner issued an eligibility  
123 certificate during any of the four years succeeding the first full income  
124 year following the issuance of an eligibility certificate, and (B) those  
125 employees are not replaced by other employees who have not been  
126 shifted from an existing location of the taxpayer or a related person in  
127 this state, the taxpayer shall be required to recapture a percentage of  
128 the credit allowed under this section on its tax return, as determined  
129 under the provisions of subdivision (2) of this subsection. The  
130 commissioner shall provide notice of the required recapture amount to  
131 both the taxpayer and the Commissioner of Revenue Services.

132 (2) If the taxpayer is required under the provisions of subdivision  
133 (1) of this subsection to recapture a portion of the credit during (A) the  
134 first of such four years, then ninety per cent of the credit allowed shall  
135 be recaptured on the tax return required to be filed for such year, (B)  
136 the second of such four years, then sixty-five per cent of the credit  
137 allowed for the entire period of eligibility shall be recaptured on the  
138 tax return required to be filed for such year, (C) the third of such four  
139 years, then fifty per cent of the credit allowed for the entire period of

140 eligibility shall be recaptured on the tax return required to be filed for  
141 such year, (D) the fourth of such four years, then thirty per cent of the  
142 credit allowed for the entire period of eligibility shall be recaptured on  
143 the tax return required to be filed for such year."
