Public Act No. 08-86

AN ACT CONCERNING FAMILIES WITH SERVICE NEEDS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 46b-148 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective October 1, 2008*):

(a) Notwithstanding any provision of this chapter: (1) No child [whose family] who has been adjudicated as a child from a family with service needs in accordance with section 46b-149 of the 2008 supplement to the general statutes, as amended by this act, may be processed or held in a juvenile detention center as a delinquent child, or be convicted as delinquent, solely for the violation of a valid order which regulates future conduct of the child that was issued by the court following such an adjudication; and (2) no such child who is found to be in violation of any such order may be punished for such violation by [commitment to] placement in any juvenile detention center.

(b) In entering any order that directs or authorizes placement or commitment of a child [whose family] who has been adjudicated as a child from a family with service needs in accordance with section 46b-149 of the 2008 supplement to the general statutes, as amended by this act, the court shall make a determination that there is no less restrictive

alternative appropriate to the needs of such child and the community.

Sec. 2. Section 46b-149 of the 2008 supplement to the general statutes is repealed and the following is substituted in lieu thereof (*Effective October 1, 2008*):

(a) Any selectman, town manager, police officer or welfare department of any town, city or borough, any probation officer or superintendent of schools, the Commissioner of Children and Families, any child-caring institution or agency approved or licensed by the Commissioner of Children and Families, any youth service bureau, a parent or foster parent of a child, or a child or the child's representative or attorney, who believes that the acts or omissions of a child are such that the [child's family is] child is from a family with service needs, may file a written complaint setting forth those facts with the Superior Court which has venue over the matter.

(b) The court shall refer a complaint filed under subsection (a) of this section to a probation officer, who shall promptly determine whether it appears that the alleged facts, if true, would be sufficient to meet the definition of a family with service needs, provided a complaint alleging that a child is a truant or habitual truant shall not be determined to be insufficient to meet the definition of a family with service needs solely because it was filed during the months of April, May or June. If such probation officer so determines, the probation officer shall, after an initial assessment, promptly refer the child and the child's family to a suitable community-based program or other service provider, or to a family support center as provided in section 46b-149e of the 2008 supplement to the general statutes, for voluntary services. If the child and the child's family are referred to a community-based program or other service provider and the person in charge of such program or provider determines that the child and the child's family can no longer benefit from its services, such person shall inform the probation officer, who shall, after an appropriate

Substitute House Bill No. 5926

assessment, either refer the child and the child's family to a family support center for additional services or determine whether or not to file a petition with the court under subsection (c) of this section. If the child and the child's family are referred to a family support center and the person in charge of the family support center determines that the child and the child's family can no longer benefit from its services, such person shall inform the probation officer, who may file a petition with the court in the manner prescribed in subsection (c) of this section. The probation officer shall inform the complainant in writing of the probation officer's action under this subsection. If it appears that the allegations are not true, or that the child's family does not meet the definition of a family with service needs, the probation officer shall inform the complainant in writing of such finding.

(c) A petition alleging that a [family constitutes] child is from a family with service needs shall be verified and filed with the Superior Court which has venue over the matter. The petition shall set forth plainly: (1) The facts which bring the child within the jurisdiction of the court; (2) the name, date of birth, sex and residence of the child; (3) the name and residence of the child's parent or parents, guardian or other person having control of the child; and (4) a prayer for appropriate action by the court in conformity with the provisions of this section.

(d) When a petition is filed under subsection (c) of this section, the court may issue a summons to the child and the child's parents, guardian or other person having control of the child to appear in court at a specified time and place. The summons shall be signed by a judge or by the clerk or assistant clerk of the court, and a copy of the petition shall be attached to it. Whenever it appears to the judge that orders addressed to an adult, as set forth in section 46b-121 of the 2008 supplement to the general statutes, are necessary for the welfare of such child, a similar summons shall be issued and served upon such

Substitute House Bill No. 5926

adult if he or she is not already in court. Service of summons shall be made in accordance with section 46b-128. The court may punish for contempt, as provided in section 46b-121 of the 2008 supplement to the general statutes, any parent, guardian or other person so summoned who fails to appear in court at the time and place so specified. If a petition is filed under subsection (c) of this section alleging that a [family is] child is from a family with service needs because a child is a truant or habitual truant, the court may not dismiss such petition solely because it was filed during the months of April, May or June.

(e) When a petition is filed under subsection (c) of this section alleging that a [family constitutes] child is from a family with service needs because [it includes a] such child [who] has been habitually truant, the court shall order that the local or regional board of education for the town in which the child resides, or the private school in the case of a child enrolled in a private school, shall cause an educational evaluation of such child to be performed if no such evaluation has been performed within the preceding year. Any costs incurred for the performance of such evaluation shall be borne by such local or regional board of education or such private school.

(f) If it appears from the allegations of a petition or other sworn affirmations that there is: (1) A strong probability that the child may do something that is injurious to himself prior to court disposition; (2) a strong probability that the child will run away prior to the hearing; or (3) a need to hold the child for another jurisdiction, a judge may vest temporary custody of such child in some suitable person or agency. No nondelinquent juvenile runaway from another state may be held in a state-operated detention home in accordance with the provisions of sections 46b-151 to 46b-151g, inclusive, Interstate Compact on Juveniles. A hearing on temporary custody shall be held not later than ten days after the date on which a judge signs an order of temporary custody. Following such hearing, the judge may order that the child's

Substitute House Bill No. 5926

temporary custody continue to be vested in some suitable person or agency. Any expenses of temporary custody shall be paid in the same manner as provided in subsection (b) of section 46b-129 of the 2008 supplement to the general statutes.

(g) If a petition is filed under subsection (c) of this section and it appears that the interests of the child or the family may be best served, prior to adjudication, by a referral to community-based or other services, the judge may permit the matter to be continued for a reasonable period of time not to exceed six months, which time period may be extended by an additional three months for cause. If it appears at the conclusion of the continuance that the matter has been satisfactorily resolved, the judge may dismiss the petition.

(h) If the court finds, based on clear and convincing evidence, that [the family of] a child is from a family with service needs, the court may, in addition to issuing any orders under section 46b-121 of the 2008 supplement to the general statutes: (1) Refer the child to the Department of Children and Families for any voluntary services provided by [said] the department or, if the [family is] child is from a family with service needs solely as a result of a finding that [a] the child is a truant or habitual truant, to the authorities of the local or regional school district or private school for services provided by such school district or such school, which services may include summer school, or to community agencies providing child and family services; (2) order the child to remain in the child's own home or in the custody of a relative or any other suitable person (A) subject to the supervision of a probation officer, or (B) in the case of a [family which is] child who is from a family with service needs solely as a result of a finding that [a] the child is a truant or habitual truant, subject to the supervision of a probation officer and the authorities of the local or regional school district or private school; (3) if the [family is] child is from a family with service needs as a result of the child engaging in sexual

Substitute House Bill No. 5926

intercourse with another person and such other person is thirteen years of age or older and not more than two years older or younger than such child, (A) refer the child to a youth service bureau or other appropriate service agency for participation in a program such as a teen pregnancy program or a sexually transmitted disease program, and (B) require such child to perform community service such as service in a hospital, an AIDS prevention program or an obstetrical and gynecological program; or (4) upon a finding that there is no less restrictive alternative, commit the child to the care and custody of the Commissioner of Children and Families for an indefinite period not to exceed eighteen months. The child shall be entitled to representation by counsel and an evidentiary hearing. If the court issues any order which regulates future conduct of the child, parent or guardian, the child, parent or guardian, shall receive adequate and fair warning of the consequences of violation of the order at the time it is issued, and such warning shall be provided to the child, parent or guardian, to his or her attorney and to his or her legal guardian in writing and shall be reflected in the court record and proceedings.

(i) At any time during the period of supervision, after hearing and for good cause shown, the court may modify or enlarge the conditions, whether originally imposed by the court under this section or otherwise, as deemed appropriate by the court. The court shall cause a copy of any such orders to be delivered to the child and to such child's parent or guardian and probation officer.

~~[(i)]~~ (j) (1) The Commissioner of Children and Families may [petition the court] file a motion for an extension of a commitment under this section on the grounds that an extension would be in the best interest of the child. The court shall give notice to the child and the child's parent or guardian at least fourteen days prior to the hearing upon such [petition] motion. The court may, after hearing and upon finding that such extension is in the best interest of the child and that there is

Substitute House Bill No. 5926

no suitable less restrictive alternative, continue the commitment for an additional indefinite period of not more than eighteen months. (2) The Commissioner of Children and Families may at any time [petition the court] file a motion to discharge a child committed under this section, and any child committed to the commissioner under this section, or the parent or guardian of such child, may at any time but not more often than once every six months [petition the court which committed the child] file a motion to revoke such commitment. The court shall notify the child, the child's parent or guardian and the commissioner of any [petition] motion filed under this subsection, and of the time when a hearing on such [petition] motion will be held. Any order of the court made under this subsection shall be deemed a final order for purposes of appeal, except that no bond shall be required and no costs shall be taxed on such appeal. (3) Not later than twelve months after a child is committed to the Commissioner of Children and Families in accordance with subdivision (4) of subsection (h) of this section or section 46b-149f of the 2008 supplement to the general statutes, as amended by this act, the court shall hold a permanency hearing in accordance with subsection (k) of this section. After the initial permanency hearing, subsequent permanency hearings shall be held at least once every twelve months while the child remains committed to the Commissioner of Children and Families.

(k) At least sixty days prior to each permanency hearing required under subsection (j) of this section, the Commissioner of Children and Families shall file a permanency plan with the court. At each permanency hearing, the court shall review and approve a permanency plan that is in the best interests of the child and takes into consideration the child's need for permanency. Such permanency plan may include the goal of: (1) Revocation of commitment and subsequent placement of the child with the parent or guardian, (2) transfer of guardianship, (3) permanent placement with a relative, (4) adoption, or (5) any other planned permanent living arrangement

Substitute House Bill No. 5926

ordered by the court, provided the Commissioner of Children and Families has documented a compelling reason why it would not be in the best interest of the child for the permanency plan to include the goals set forth in subdivisions (1) to (4), inclusive, of this subsection. Such other planned permanent living arrangement may include, but not be limited to, placement of the child in an independent living program. At any such permanency hearing, the court shall also determine whether the Commissioner of Children and Families has made reasonable efforts to achieve the goals in the permanency plan.
