Re: Raised Bill No. 603
Raised Bill No. 607

Honorable Members of the Judiciary Committee:

My name is Paul N. Simpson, residing in Shelton, Connecticut. I am opposed to both Raised Bills 603 and 607. The technology involved in both of these bills is either faulty or easily altered, thus rendering both bills useless. These bills would only serve to place unnecessary burdens on Connecticut's law abiding gun owners and dealers, and the confiscation provisions of Bill 603 border on a police state mentality. In addition, portions of these bills violate the U.S. and Connecticut Constitutions. Thank you.
