

TESTIMONY

of the

CONNECTICUT CONFERENCE OF MUNICIPALITIES

to the

JUDICIARY COMMITTEE

March 20, 2008

The Connecticut Conference of Municipalities appreciates the opportunity to testify on the following bill of interest to towns and cities:

S.B. 608, “An Act Concerning the Videotaping of Interrogations”

S.B. 608 would, among other things, require law enforcement agencies to record interrogations of persons suspected of a capital or class A or B felony, if feasible.

S.B. 608 presents a host of public policy implications that need and warrant exploration: whether it is in the public’s interest that police interrogation techniques be studied by defense attorneys and criminals – allowing defense attorneys to focus on *interrogation techniques* rather than the guilt or innocence of the suspect; and whether and what standards and procedures are to be mandated (what kinds of recording devices are acceptable, what kinds of storage facilities are acceptable, etc.).

The Committee must ensure that the bill is not written in a way as to undermine the criminal investigative process.

CCM is not sure of the fiscal impact that S.B. 608 would have on towns and cities. We, therefore, urge the Committee to obtain a fiscal note on this bill.
