Testimony in favor of Raised Bill No. 5728

Senator Handley and Representative Sayers
Members of the Public Health Committee

Honorable Chairs and Members of the Committee:

Thank you for the opportunity to present testimony on Raised Bill 5728, AAC Tax Incentives for Businesses with On-Site Health Care Clinics. My name is Lynn Price. I am a family nurse practitioner, and Government Relations Chair of the Connecticut Advanced Practice Registered Nurses Society. Our organization represents advanced practice registered nurses in a variety of settings throughout our state.

The Connecticut Advanced Practice Registered Nurse Society supports the proposal to encourage employers to offer on-site health care by offering a property tax incentive. We believe services offered on-site by appropriately licensed health professionals will greatly enhance timely access to care and preventative services, which is a key component in the health of our citizens in the workforce.

We appreciate your efforts to improve access to appropriate and timely care for the Connecticut workforce, many of whom are our patients.

Lynn Price, JD, MSN, MPH, APRN
