**Re: MARC, Inc. of Manchester**

To Whom it May Concern:

I am writing this letter to verify the good acts of and distinguished history of service of MARC, Inc. of Manchester. For more than fifty years, MARC Inc. of Manchester has helped people with disabilities find employment, housing and other services needed to reduce poverty and enhance the lives of these valued members of our community. MARC, Inc. has encouraged the full citizenship and total integration of people with disabilities. Organizations like MARC, Inc. have educated the public and government policy makers regarding issues affecting people with disabilities and helped the community understand the value of all persons of Manchester.

MARC, Inc. assists in the provision of employment opportunities for over 165 persons with disabilities. The people that they help are proud, contributing members of our community who support the local economy. MARC, Inc. has made Manchester a better place to live, a place that encourages progressive support for people with developmental disabilities.

The Town of Manchester is very grateful to have MARC, Inc. of Manchester in this community. There is a longstanding, positive relationship between MARC, Inc., the Town of Manchester and the Manchester business community. We hope that MARC, Inc. continues its record of helping people with disabilities in Manchester for a long time to come.
