

Testimony for SB 562 from Carmine D.

To Senator Harris, Representative Villano, and members of the Human Services Committee:

I for some unknown reason have been involved in a Medicaid spend-down nightmare for reasons unbeknownst to me. I hardly ever know when I'm on or off the spend-down. I haven't gotten medical care because of it. Because I don't know if I'm on or off, I don't want to incur medical expenses because I'm on Social Security. Please raise the income limit for Medicaid for people who are disabled. Thank you.
