

Testimony for SB 562 from Fay

To Senator Harris, Representative Villano and members of the Human Services Committee:

I for some unknown reason have been involved in a medical spend-down nightmare. I don't even know when I am on or off the spend-down. I have not gotten medical care because of it. And I don't want to incur medical expenses because of social security. Please raise the income limit of Medicaid for people who are disabled. Thank you.
