of

## Department of Motor Vehicles

---

### Forms of Identification Which May Be Accepted By Persons, Firms or Corporations Renting or Leasing Motor Vehicles

---

**Section 1. Sec. 14-137-117 of the Regulations of Connecticut State Agencies is amended to read as follows:**

**Sec. 14-137-117. Suitable identification**

In addition to a current operator's license, a licensee may require a customer to provide one other form of identification [as listed in Section 14-137-65 of the Regulations of Connecticut State Agencies] which would serve as proof of such customer's current residence address. Prior to acceptance of an operator's license as suitable identification, the licensee shall be permitted to perform a status check on such license with the department of motor vehicles, or any agent of or contractor with such department.

**Statement of Purpose:** To permit a licensee, renting a motor vehicle to a customer without a credit card, to require the customer's operator's license and one other form of identification which establishes the customer's current residence address.

Licensees renting vehicles, without requiring a credit card, have complained that vehicles have not been returned and addresses provided were not current, making locating the vehicle impossible.

**Summary of Main Provisions:** This regulation removes the requirement that a licensee may choose a second form of identification, in addition to a current operator's license, only from the forms of identification listed in section 14-137-65 of the Regulation of State Agencies. Furthermore, the regulation allows a licensee to request a second form of identification, which would serve as proof of a customer's current residence address.

**Legal Effects of the Regulation:** The amendment does not modify the legal effect of the current regulation.
