Finance, Revenue and Bonding Committee  
Room 3700, Legislative Office Building  
Hartford, CT 06106

To Members of the Finance Committee:

My name is Abul Islam, President/CEO of AI Engineers, Inc. in Middletown, Connecticut.

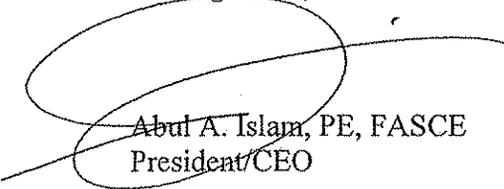

I am writing to voice my opposition to several tax bills before you which would seriously damage Connecticut's economy and our ability to compete and succeed here. These proposals would substantially increase our business costs and make it much harder for us to continue doing business in Connecticut. Specifically, we are opposing:

HB-6348, HB-6349, HB-6350, SB-807 and SB-815

We urge you to reject these proposals and work with the business community to encourage economic development and job creation in Connecticut. Thank you.

Yours very truly,

**AI Engineers, Inc.**
