

Subject: Senate Bill 839

Dear Committee Position Holders,

My name is Aaron Christiansen, I currently attend the University Of Hartford, and i am e-mailing you to put a stop to the SB839. This bill would, in my opinion, just make it easier for the "bad guys" to out gun the law-abiding citizens who go through all the paper work to get handguns so they can do something they enjoy.

Gun owners across the state know that there are no manufacturers that currently incorporate micro-stamping in their firearms; this bill would result in a de facto ban on all semi-automatic handguns in Connecticut. Furthermore, this bill is in direct conflict with the Second Amendment and is inhibiting our very right as Americans to freedom.

So please consider mine and the rights of the rest of the population of Connecticut.

Cordially,  
Aaron L. Christiansen of Ledyard, Ct
