Connecticut Association of Health Plans

Testimony regarding

HB 6529 AAC the Licensing and Regulation of Third Party Administrators.

The Connecticut Association of Health Plans respectfully urges that the Committee move slowly with respect to consideration of HB 6529 which implements an entirely new regulatory structure with respect to Third Party Administrators.

Our member health plans are in the process of reviewing the legislation at present, but our initial feedback indicates a high level of concern with many of the provisions included in the bill. We welcome the opportunity to work with the Dept. of Insurance and the Chairs on this issue in the hope of coming to consensus on the initiative.

Thank you for your consideration.
