

Colt Unit  
UAW Local 376  
West Hartford, CT. 06110

My name is Jeffery J. Bifolck.

I am the first shift Chief Steward at Colt Defense LLC and Colt Manufacturing LLC and also a member of the Town of Vernon Volunteer Fire Department.

I am here to represent approximately 625 employees of Colt Defense LLC and Colt Manufacturing LLC.

I have been an employee of Colt and a member of the UAW Local 376 for eighteen years.

On behalf of the employees of Colt and the UAW, we are opposing the Microstamping Bill SB 353.

If this bill were to pass it would cost us our jobs.

The cost of the pistols would increase driving away customers and our jobs.

In the day and age of our economy there are enough jobs being lost.

It is time to start saving jobs and that can start right here by opposing this bill.

Colt is a good paying job with good benefits.

We need to keep these jobs in Connecticut.

We can't afford to give these companies the motivation to move out of Connecticut and lose these positions.

We must stand up for the working people and say no to the Microstamping Bill SB 353.

Thank you,

Jeffery J. Bifolck
