

To Members of the Labor Committee:

My name is David Krett, Jr., Chief Operations Officer at Family Care Plus. I employ hundreds of people in Connecticut. Many live and work in your area.

I am writing to voice my opposition to HB-6187, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees.

We believe this is not a time to increase costs to businesses that create jobs. Other States are looking to reduce costs to attract businesses.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut. Thank you.

Signed,

David Krett, Jr, COO
