Testimony of Senator Robert J. Kane re: SB 382 AN ACT CONCERNING THE
BOUNDARY LINE OF THE TOWN OF WATERTOWN AND THE CITY OF
WATERBURY

Senator Coleman, Representative Sharkey and members of the Planning and
Development Committee:

Thank you for the opportunity to offer my support to SB 382 AN ACT CONCERNING
THE BOUNDARY LINE OF THE TOWN OF WATERTOWN AND THE CITY OF
WATERBURY. This bill is very straightforward and simple. It revises the boundary line
between the Town of Watertown and the City of Waterbury for taxing purposes. It has
been submitted for consideration in a bipartisan manner by all the legislators representing
the two communities. Both the Town Council in Watertown and the Board of Alderman
in Waterbury have considered and approved this action within their respective bodies.
Approval before the Connecticut General Assembly is the final step in this process and I
urge your support.

Thank you for your thorough consideration of this request.
