February 6, 2009

Senator Harris, Representative Ritter, members of the Public Health Committee: Thank you for giving me the opportunity to speak to you today about *House Bill 6263, An Act Requiring The Administration Of A Screening Test For Cystic Fibrosis To Newborn Infants*. My son is 11 now, and was diagnosed in May of 1997. Having the awareness and advocates has been nothing but a blessing to us. He has yet to exhibit any symptoms. Thank you,
