Dear Senator Harris,

I am writing to ask you to vote for House Bill 6266 "An Act Concerning the Practice of Acupuncture". I am a licensed and practicing acupuncturist and I feel this bill is important for the practice of Acupuncture and for consumers in Connecticut for several reasons:

- It will provide patients accurate and consistent information about the credentials of the practitioner treating them.
- It will help consumers find and choose providers with full Licensed Acupuncturist training, the highest level of training for Acupuncturists available.
- It provides Licensed Acupuncturists with equitable title protection that has been provided for virtually all other licensed health professionals in Connecticut.

I appreciate your consideration and urge you to support this bill.

Respectfully,

Christopher M. Gaunya L.Ac.
