RE: HB 6266 - An Act Concerning the Practice of Acupuncture

Dear Representative Heinrich and Senator Stillman:

I'm a licensed acupuncturist in your district.  
I'm writing to ask you to support House Bill 6266 - An Act Concerning the Practice of Acupuncture, which has been raised by the Public Health Committee.

HB 6266 provides Title Protection to acupuncturists in our state. This title protection is an important way to inform and protect health care consumers, and identify the unique credentials of providers with a connecticut acupuncture license.

[a] It helps consumers find practitioners who are licensed acupuncturists, trained under nationally recognized accreditation standards in the modality of acupuncture and oriental medicine.

and/or

[b] It helps patients understand the credentials of the practitioner who are treating them.

and/or

[c] It provides an equitable recognition to state licensed acupuncturists, giving them the same kind of professional title protection that virtually all other Connecticut health professionals enjoy.

Thank you for your consideration.  
Sincerely,

Steven Jacob, Licensed Acupuncturist
