

General Assembly

January Session, 2009

Proposed Bill No. 5149

LCO No. 668

Referred to Committee on Environment

Introduced by:
REP. MUSHINSKY, 85th Dist.

AN ACT CONCERNING THE SCHOOL BUS EMISSIONS REDUCTION PROGRAM.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That section 14-164o of the general statutes be amended to provide
- 2 specific price limits for the installation of emissions control devices,
- 3 and that section 22a-21j of the general statutes be amended to
- 4 authorize the Commissioner of Environmental Protection to (1)
- 5 provide grants to school boards and municipalities with existing
- 6 contracts to install such devices, (2) institute a supplemental bid
- 7 process for the grants, and (3) advise municipalities upon the merits of
- 8 installing only a crankcase filtration system.

Statement of Purpose:

To provide specific price limits for the installation of emissions control devices, to authorize the Commissioner of Environmental Protection to provide grants for existing contracts to install such devices or to institute a supplemental bid process, and to advise municipalities regarding the merits of installing only a crankcase filtration system.
