AN ACT CONCERNING THE AUTHORITY OF PLANNING COMMISSIONS TO APPROVE MUNICIPAL ROAD IMPROVEMENTS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 8-24 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2009):

No municipal agency or legislative body shall (1) locate, accept, abandon, widen, narrow or extend any street, bridge, parkway or other public way, (2) locate, relocate, substantially improve, acquire land for, abandon, sell or lease any airport, park, playground, school or other municipally owned property or public building, (3) locate or extend any public housing, development, redevelopment or urban renewal project, or (4) locate or extend public utilities and terminals for water, sewerage, light, power, transit and other purposes, until the proposal to take such action has been referred to the commission for a report. Notwithstanding the provisions of this section, a municipality may take final action approving an appropriation for any proposal prior to the approval of the proposal by the commission pursuant to this section. The failure of the commission to report within thirty-five days after the date of official submission of the proposal to it for a
report shall be taken as approval of the proposal. In the case of the
disapproval of the proposal by the commission the reasons therefor
shall be recorded and transmitted to the legislative body of the
municipality. A proposal disapproved by the commission shall be
adopted by the municipality or, in the case of disapproval of a
proposal by the commission subsequent to final action by a
municipality approving an appropriation for the proposal and the
method of financing of such appropriation, such final action shall be
effective, only after the subsequent approval of the proposal by (A) a
two-thirds vote of the town council where one exists, or a majority
vote of those present and voting in an annual or special town meeting,
or (B) a two-thirds vote of the representative town meeting or city
council or the warden and burgesses, as the case may be. The
provisions of this section shall not apply to maintenance or repair of
existing property, [public ways or] buildings or public ways,
including, but not limited to, resurfacing of roads.

This act shall take effect as follows and shall amend the following
sections:
