

General Assembly

January Session, 2009

Proposed Bill No. 179

LCO No. 337

Referred to Committee on Energy and Technology

Introduced by:
SEN. FRANTZ, 36th Dist.

AN ACT CONCERNING AN ANALYSIS OF THE STATE'S POWER GRID.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That the general statutes be amended to require a state-supported
- 2 analysis of the state's power grid. Such analysis shall be conducted in a
- 3 way that would be useful to potential developers of small-scale,
- 4 renewable energy opportunities, including those in the areas of wind
- 5 power development, tidal energy, and small and micro-scale
- 6 hydroelectric generation.

Statement of Purpose:

To provide a private and public developers an early stage tool for assessing transmission and demand potential in renewable energy.
