144 or administering a [district] regional project, program or other function
145 authorized under this chapter, or for the purpose of refinancing
146 existing indebtedness, or temporarily in anticipation of receipt of
147 current revenues, and provided the board shall hold a public hearing
148 on any such proposed borrowing which is estimated by the board to

178 interest on such borrowing for the benefit of which the same were
179 made have been fully paid, or until provision is made for the payment
180 in the manner provided therein. Any pledge or assignment made in
181 respect of such borrowing secured thereby shall be valid and binding
182 from the time when the pledge or assignment is made; any income,
183 proceeds, revenues or property so pledged or assigned and thereafter

207 shall hold a public hearing on its proposed budget, two weeks' notice
208 of which shall be given in a newspaper having a circulation in each

213 by each, to pay the cost of operating the [district] regional department
214 of health, including debt service on borrowings of the [district] region,

1277 cause is shown, a person shall be ineligible for participation in such
1278 pretrial alcohol education system if such person's alleged violation of
1279 section 14-227a or 14-227g caused the serious physical injury, as

1285 (b) The court, after consideration of the recommendation of the
1286 state's attorney, assistant state's attorney or deputy assistant state's
1287 attorney in charge of the case, may, in its discretion, grant such
1288 application. If the court grants such application, it shall refer such

1289 person to the Court Support Services Division for assessment and
1290 confirmation of the eligibility of the applicant and to the Department
1291 of Mental Health and Addiction Services for evaluation. The Court
1292 Support Services Division, in making its assessment and confirmation,
1293 may rely on the representations made by the applicant under oath in
1294 open court with respect to convictions in other states of offenses
1295 specified in subsection (a) of this section. Upon confirmation of
1296 eligibility and receipt of the evaluation report, the defendant shall be
1297 referred to the Department of Mental Health and Addiction Services
1298 by the Court Support Services Division for placement in an
1299 appropriate alcohol intervention program for one year, or be placed in

1302 and a fifteen-session intervention program. Any person who enters the
1303 system shall agree: (1) To the tolling of the statute of limitations with

1305 trial, (3) to complete ten or fifteen counseling sessions in an alcohol
1306 intervention program or successfully complete a substance abuse
1307 treatment program of not less than twelve sessions pursuant to this
1308 section dependent upon the evaluation report and the court order, (4)
1309 to commence participation in an alcohol intervention program or
1310 substance abuse treatment program not later than ninety days after the

1314 program upon recommendation of a provider under contract with the
1315 Department of Mental Health and Addiction Services pursuant to
1316 subsection [(d)] (f) of this section or placement in a state-licensed
1317 treatment program which meets standards established by the
1318 Department of Mental Health and Addiction Services, if the Court
1319 Support Services Division deems it appropriate, and [(5)] (6) if ordered
1320 by the court, to participate in at least one victim impact panel. The
1321 suspension of the motor vehicle operator's license of any such person
1322 pursuant to section 14-227b shall be effective during the period such

1323 person is participating in such program, provided such person shall
1324 have the option of not commencing the participation in such program
1325 until the period of such suspension is completed. If the Court Support
1326 Services Division informs the court that the defendant is ineligible for
1327 the system and the court makes a determination of ineligibility or if the
1328 program provider certifies to the court that the defendant did not
1329 successfully complete the assigned program or is no longer amenable
1330 to treatment and such person does not pursue, or the court denies,
1331 program reinstatement under subsection (e) of this section, the court
1332 shall order the court file to be unsealed, enter a plea of not guilty for
1333 such defendant and immediately place the case on the trial list. If such
1334 defendant satisfactorily completes the assigned program, such
1335 defendant may apply for dismissal of the charges against such
1336 defendant and the court, on reviewing the record of the defendant's
1337 participation in such program submitted by the Court Support
1338 Services Division and on finding such satisfactory completion, shall
1339 dismiss the charges. If the defendant does not apply for dismissal of
1340 the charges against such defendant after satisfactorily completing the
1341 assigned program the court, upon receipt of the record of the
1342 defendant's participation in such program submitted by the Court
1343 Support Services Division, may on its own motion make a finding of
1344 such satisfactory completion and dismiss the charges. Upon motion of
1345 the defendant and a showing of good cause, the court may extend the
1346 one-year placement period for a reasonable period for the defendant to
1347 complete the assigned program. A record of participation in such
1348 program shall be retained by the Court Support Services Division for a
1349 period of [seven] ten years from the date of application. The Court
1350 Support Services Division shall transmit to the Department of Motor
1351 Vehicles a record of participation in such program for each person who
1352 satisfactorily completes such program. The Department of Motor
1353 Vehicles shall maintain for a period of [seven] ten years the record of a
1354 person's participation in such program as part of such person's driving
1355 record. The Court Support Services Division shall transmit to the
1356 Department of Environmental Protection the record of participation of

1357 any person who satisfactorily completes such program who has been
1358 charged with a violation of the provisions of section 15-133, 15-140l or
1359 15-140n. The Department of Environmental Protection shall maintain
1360 for a period of [seven] ten years the record of a person's participation
1361 in such program as a part of such person's boater certification record.

1363 the alcohol intervention program, such person shall also pay to the
1364 court a nonrefundable program fee of three hundred [twenty-five] fifty
1365 dollars if such person is ordered to participate in the ten-session
1366 program and a nonrefundable program fee of five hundred dollars if
1367 such person is ordered to participate in the fifteen-session program. If
1368 the court grants participation in a treatment program, such person
1369 shall be responsible for the costs associated with participation in such
1370 program. No person may be excluded from either program for
1371 inability to pay such fee or cost, provided (1) such person files with the
1372 court an affidavit of indigency or inability to pay, (2) such indigency or
1373 inability to pay is confirmed by the Court Support Services Division,
1374 and (3) the court enters a finding thereof. If the court finds that a
1375 person is indigent or unable to pay for a treatment program, the costs
1376 of such program shall be paid for from the pretrial account established
1377 under section 54-56k. If the court denies the application, such person
1378 shall not be required to pay the program fee. If the court grants the
1379 application, and such person is later determined to be ineligible for
1380 participation in such pretrial alcohol education system or fails to
1381 complete the assigned program, the program fee shall not be refunded.
1382 All [such evaluation and] program fees shall be credited to the pretrial
1383 account established under section 54-56k.

1384 (d) If a person returns to court with certification from a program
1385 provider that such person did not successfully complete the assigned
1386 program or is no longer amenable to treatment, the provider, to the
1387 extent practicable, shall include a recommendation to the court as to
1388 whether a ten-session intervention program, a fifteen-session program
1389 or placement in a state-licensed alcohol treatment program would best

1390 serve such person's needs. The provider shall also indicate whether the
1391 current program referral was an initial referral or a reinstatement to
1392 the program.

1393 (e) When a person subsequently requests reinstatement into an
1394 intervention or treatment program and the Court Support Services
1395 Division verifies that such person is eligible for reinstatement into such
1396 program and thereafter the court favorably acts on such request, such
1397 person shall pay a nonrefundable fee of one hundred seventy-five
1398 dollars if ordered to complete a ten-session intervention program or
1399 two hundred fifty dollars if ordered to complete a fifteen-session
1400 intervention program, as the case may be. Unless good cause is shown,
1401 such fees shall not be waived. If the court grants a person's request to
1402 be reinstated into a treatment program, such person shall be
1403 responsible for the costs, if any, associated with being reinstated into
1404 the treatment program. All fees collected in connection with a
1405 reinstatement to an intervention program shall be credited to the
1406 pretrial account established under 54-56k. No person shall be
1407 permitted more than two program reinstatements pursuant to this
1408 subsection.

1419 standards substantially similar to, or higher than, those of this state,
1420 subject to the approval of the court and payment of the application,
1421 evaluation and program fees, as appropriate, as provided in this
1422 section.

1423 [(e)] (g) The court may, as a condition of granting such application,
1424 require that such person participate in a victim impact panel program
1425 approved by the Court Support Services Division of the Judicial
1426 Department. Such victim impact panel program shall provide a
1427 nonconfrontational forum for the victims of alcohol-related or drug-
1428 related offenses and offenders to share experiences on the impact of
1429 alcohol-related or drug-related incidents in their lives. Such victim
1430 impact panel program shall be conducted by a nonprofit organization
1431 that advocates on behalf of victims of accidents caused by persons who

1433 liquor or any drug, or both. Such organization may assess a
1434 participation fee of not more than seventy-five dollars on any person
1435 required by the court to participate in such program, provided such
1436 organization shall offer a hardship waiver when it has determined that
1437 the imposition of a fee would pose an economic hardship for such
1438 person.

1439 [(f)] (h) The provisions of this section shall not be applicable in the
1440 case of any person charged with a violation of section 14-227a while
1441 operating a commercial motor vehicle, as defined in section 14-1.
