AN ACT CONCERNING REORGANIZATION OF THE DEPARTMENT OF CHILDREN AND FAMILIES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (NEW) (*Effective January 1, 2010*) (a) Notwithstanding any
2 provision of the general statutes, on and after January 1, 2010, the
3 Department of Public Health shall be responsible for the licensing of
4 child care facilities and other agencies licensed by the Department of
5 Children and Families prior to said date, except that the Department of
6 Children and Families shall continue to be responsible for the licensing
7 of foster families. Licenses for such facilities and agencies issued by the
8 Department of Children and Families before January 1, 2010, shall be
9 renewed with the Department of Public Health and licenses issued for
10 foster families shall be renewed with the Department of Children and
11 Families.

12 (b) Any regulation or order of the Commissioner of Children and
13 Families regarding licensure of such facilities and agencies that is in
14 effect on January 1, 2010, shall continue in force and effect as a
15 regulation or order of the Commissioner of Public Health until
16 superseded by law.

17 Sec. 2. Section 17a-20 of the general statutes is repealed and the
18 following is substituted in lieu thereof (*Effective January 1, 2010*):

19 (a) For the purposes of this section, "psychiatric clinic" means an
20 organization licensed by the Department of [Children and Families]
21 Public Health and staffed by psychiatrists, psychologists, social
22 workers and such other professional, paraprofessional and clerical
23 personnel as local circumstances may require, working in collaboration
24 with other social service agencies, to provide mental health services
25 that are designed to (1) effectively decrease the prevalence and
26 incidence of mental illness, emotional disturbance and social
27 disfunctioning, and (2) promote mental health in individuals, groups
28 and institutions, and includes a general hospital with such clinic
29 services. The Department of Children and Families shall develop and
30 maintain a program of outpatient psychiatric clinics for children and
31 youths and their families, provided such clinics are licensed by the
32 Department of Public Health.

33 (b) For the purposes of this section, "child guidance clinic" means a
34 subset of psychiatric clinics for children designated by the Department
35 of Children and Families pursuant to this section to receive grant
36 funds for the purpose of assisting the department to provide
37 community-based psychiatric services for children, youths and
38 families. In order to meet such mandate, the department shall
39 designate a subset of outpatient psychiatric clinics for children to be
40 known as child guidance clinics. The department shall provide grants
41 to such child guidance clinics in accordance with the provisions of this
42 section. Any town having a population of not less than forty thousand,
43 as most recently determined by the Secretary of the Office of Policy
44 and Management, or any combination of towns with a combined
45 population of not less than forty thousand as similarly determined, or
46 any nonprofit corporation organized or existing for the purpose of
47 establishing or maintaining a psychiatric clinic for children and youths
48 or for children and youths and their families, or any clinic designated
49 by the Department of Children and Families as of January 1, 1995, may
50 apply to the Department of Children and Families for funds to be used
51 to assist in establishing, maintaining or expanding a psychiatric clinic.
52 The applications, and any grant of funds pursuant thereto, shall not be

53 subject to the provisions of section 17a-476, except to the extent
54 required by federal law. The department shall base any grant of funds
55 on the services provided to children and youths under eighteen years
56 of age and on the effectiveness of the services. No grant shall exceed
57 two-thirds of the ordinary recurring operating expenses of the clinic,
58 nor shall any grant be made to pay for any portion of capital
59 expenditures for the clinic. No clinic in existence as of October 1, 1995,
60 shall be eligible for grants of any funds under this section unless it has
61 obtained a license within six months of the adoption of regulations
62 under subsection (c) of this section. No clinic receiving funds under
63 this section shall refuse services to any resident of this state solely
64 because of his or her place of residence.

65 (c) The Department of [Children and Families] Public Health shall
66 adopt regulations, in accordance with the provisions of chapter 54,
67 defining the minimum requirements for outpatient psychiatric clinics
68 for children to be eligible for licensure under this section [in] with
69 regard to (1) qualification and number of staff members, (2) clinic
70 operation including but not limited to physical plant, governing body
71 and recordkeeping, (3) effectiveness of services, and (4) populations
72 targeted for priority access. The regulations shall also govern the
73 granting of the funds to assist in establishing, maintaining and
74 expanding psychiatric clinics. The department shall, upon payment of
75 a fee of three hundred dollars, issue to any qualifying clinic a license
76 that shall be in force for twenty-four months from the date of issue and
77 shall be renewable for additional twenty-four-month periods, upon
78 payment of a fee of three hundred dollars for each such period,
79 provided the clinic continues to meet conditions satisfactory to the
80 department. Any regulation or order of the Commissioner of Children
81 and Families issued pursuant to this subsection that is in effect on
82 January 1, 2010, shall continue in force and effect as a regulation or
83 order of the Commissioner of Public Health until superseded by law.

84 (d) The [department] Department of Children and Families shall
85 make available to child guidance clinics forms to be used in making

86 application for available funds. Upon receipt of proper application, the
87 department shall grant the funds, provided the plans for financing, the
88 standards of operation and the effectiveness of services of the clinics
89 are approved by the department in accordance with the provisions of
90 this section. The grants shall be made on an annual basis.

91 Sec. 3. Section 17a-22g of the general statutes is repealed and the
92 following is substituted in lieu thereof (*Effective January 1, 2010*):

103 Children and Families for purposes directly connected with the
104 administration of Connecticut Community KidCare in such form and
105 manner as the [department] Department of Children and Families
106 requests. The provisions of this section shall be subject to the
107 confidentiality requirements as set forth in applicable federal law.

108 (b) No person shall solicit, disclose, receive or make use of, or
109 authorize, knowingly permit, participate in or acquiesce in the use of,
110 any list of the names of, or any information concerning, persons

112 KidCare program, directly or indirectly derived from the records,
113 papers, files or communications of the state or its subdivisions or
114 agencies, or acquired in the course of the performance of official
115 duties. The Commissioner of Children and Families shall disclose case-
116 specific information to any authorized representative of the
117 Commissioner of Social Services for purposes directly connected with

352 with regard to the commissioner's authority to inspect, review and
353 supervise all acts in relation to child placing under section 17a-151, as
354 amended by this act, shall be limited to inspection, review and
355 supervision of the applicant under this section and shall not include
356 inspection, review or supervision of the homes in which a child is
357 placed.

358 Sec. 11. Section 17a-150 of the general statutes is repealed and the
359 following is substituted in lieu thereof (*Effective January 1, 2010*):

360 (a) The Commissioner of [Children and Families] Public Health
361 shall adopt regulations in accordance with chapter 54 setting forth
362 standards for licensing of persons or entities which place children. The
363 regulations shall require a person or entity licensed on or after March
364 9, 1984, to have a minimum of two staff persons who are qualified by a
365 combination of education and work experience, and be a nonprofit
366 organization qualified as a tax-exempt organization under Section
367 501(c)(3) of the Internal Revenue Code of 1986, or any subsequent

376 Commissioner of Public Health until superseded by law.

377 Sec. 12. Section 17a-151 of the general statutes is repealed and the
378 following is substituted in lieu thereof (*Effective January 1, 2010*):

380 shall investigate the conditions stated in each application made under
381 the provisions of sections 17a-145, as amended by this act, and 17a-149,
382 as amended by this act, and shall require any person identified on the
383 application under said sections to submit to state and national criminal
384 history records checks. The commissioner shall investigate the
385 conditions in each application filed with such commissioner under the
386 provisions of sections 17a-145, as amended by this act, and 17a-149, as
387 amended by this act, and, if the commissioner finds such conditions
388 suitable for the proper care of children, or for the placing out of
389 children, under such standards for the promotion of the health, safety,
390 morality and well-being of such children as the commissioner
391 prescribes, shall issue such license as is required as promptly as
392 possible, without expense to the licensee. If, after such investigation,
393 the commissioner finds that the applicant, notwithstanding good faith
394 efforts, is not able to fully comply with all the requirements the
395 commissioner prescribes, but compliance can be achieved with
396 minimal efforts, the commissioner may issue a provisional license for a
397 period not to exceed sixty days. The provisional license may be
398 renewed for additional sixty-day periods, but in no event shall the
399 total of such periods be for longer than one year. Before issuing any
400 license, the commissioner shall give to the selectmen of the town
401 wherein such licensee proposes to carry on the licensed activity ten
402 days' notice in writing that the issuance of such license is proposed,
403 but such notice shall not be required in case of intention to issue such
404 license to any corporation incorporated for the purpose of caring for or

405 placing such children. Each license so issued shall specify whether it is
406 granted for child-caring or child-placing purposes, shall state the
407 number of children who may be cared for, shall be in force twenty-four
408 months from date of issue, and shall be renewed for the ensuing
409 twenty-four months, if conditions continue to be satisfactory to the
410 commissioner. The commissioner shall also provide such periodical
411 inspections and review as shall safeguard the well-being, health and
412 morality of all children cared for or placed under a license issued by
413 the commissioner under this section and shall visit and consult with
414 each such child and with the licensee as often as the commissioner
415 deems necessary but at intervals of not more than ninety days. Each
416 licensee under the provisions of this section shall file annually with the
417 commissioner a report containing such information concerning its
418 functions, services and operation, including financial data, as the
419 commissioner requires. Any license issued under this section may be
420 revoked, suspended or limited by the commissioner for cause, after
421 notice given to the person or entity concerned and after opportunity
422 for a hearing thereon. Any party whose application is denied or whose
423 license is revoked, suspended or limited by the commissioner may
424 appeal from such adverse decision in accordance with the provisions
425 of section 4-183. Appeals under this section shall be privileged in
426 respect to the order of trial assignment.
