

CHALKER BEACH IMPROVEMENT ASSOCIATION INC.  
OLD SAYBROOK, CONNECTICUT 06475

P.O. BOX 756

February 6, 2009

On behalf of the Chalker Beach Improvement Association's Board of Governors we respectfully urge you to pass the **Proposed Bill HB 5639- an Act to Allow the Use of Golf Carts on Local Roads**. Chalker Beach is a beach association located in Old Saybrook primarily populated by summer residences. The use of golf carts by licensed drivers in our small community has been helpful. We have many senior citizens who have benefited greatly by this safe and simple mode of transportation. These are slow moving vehicles that have alleviated parking and traffic concerns. In this age of energy conservation we believe this is a better alternative to cars traveling within our community. Thank you for your consideration.
