To Whom It May Concern:

My name is Janice Richardson and I am from the city of New Britain Connecticut. Legal Aid Services has helped me tirelessly and profoundly when I was hopeless, fearful and needing representation in my domestic abusive marriage.

I was verbally and emotional abuse and threaten by my spouse for over 2 years. Legal aid was able to help me processed and gain a restraining order, which is still in effect and a legal separation that is still pending. Above all, Legal Aid Services has done a phenomenal job at helping me successfully received my permanent residency when my spouse refused to signed necessary documents.

As a successful client of the Legal Aid service, it is crucial to preserve their funding.

Sincerely,

Janice Richardson
