I am writing to strongly advocate for Sec.5 of House Bill H6666, which will allow for adjunct faculty certificates to be issued to the highly-trained professional artists who serve as ECA's part-time faculty, to continue their 35-year record of preparing Connecticut's high-school students for our competitive global economy. If they are required to become certified for 10-hour per week part-time positions, they will not be able to do so and the school will close. This will be a terrible loss to Connecticut's high school students in 19 school districts.

As a proud of alum of ECA, I can confidently state that the school has meaningfully shaped both my professional and personal development. The writing skills that I gained from the ECA writing department have directly resulted in many professional experiences and opportunities in my life, such as job offers and graduate school acceptance. I am deeply grateful to have had the ability to attend ECA.

Thank you for considering my request and supporting this incredible school.

Best,

~Corinne Moss-Racusin
