Regarding Raised Bill # 6666, Section 7

An act requiring School Districts to utilize Board Certified Behavior Analysts when and individual education plan includes applied behavior analytic services as part of a student's special education

To Whom It May Concern:

I am an individual from Shelton, Connecticut who knows many parents of children with autism. I am writing today in support of Raised Bill # 6666, Section 7. I support this bill because it is necessary to ensure that all children with autism receive a free and appropriate education implemented by qualified personnel.
