Subject: Bill 6666 section 7

Hello,

My name is Janice Crabtree. I live in Guilford CT at 563 Lake Drive. I support Bill 6666, section 7 which would ensure that only people with credentials in behavior analysis are utilized by public schools to oversee implementation of children's IEPs. My two sons are on the autism spectrum and I value the role of the behavior analyst in their education. Please support this bill.

**Sincerely,
Janice Crabtree**
