I am a parent of a daughter who attended ECA for three years from 1997 through 1999. I can't begin to express what a wonderful program it was for my daughter who was gifted in the visual arts. The teachers were true professionals who guided her and helped her find a direction. She did get into her first choice art college, MICA and became a graphic designer. We owe so much to the teachers at ECA who helped her fulfill her potential.

Please keep ECA open and available to future students gifted in the arts. It's truly a magical place.

Sincerely,
Sharon Palmeri
