Re: Raised Bill #6666 / Section 7

To Whom It May Concern:

I support Raised Bill #6666/Section 7. My name is Susan Johnson and I have a son with Autistic Disorder and severe oral apraxia. His quality of life has improved 100 % since attending CCCD in Milford, CT where ABA is administered through individuals who are BCBA's.

Sincerely,

A handwritten signature in cursive script, appearing to read "Susan E. Johnson".
