Supporting Raised Bill # 6666, Section 7

March 16, 2009

Dear Education Committee Members:

I work with someone whose son is on the autism spectrum and I am in support of this bill requiring at least minimally qualified and certified personnel to work with these children when they are in need of these specific educational services.

I hope you will vote in support of this legislation that will protect these vulnerable children.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Wayne Czarnecki', with a stylized flourish at the end.
