

CONNECTICUT CENTER
FOR PATIENT SAFETY
QUALITY HEALTHCARE IS A RIGHT.

Good afternoon distinguished members of the Executive and Legislative Nominations Committee.

I am Jean Rexford, Executive Director of the CT Center for Patient Safety, a consumer advocacy and educational not for profit.

I am here today in strong support of Kevin Lembo's renomination as Healthcare Advocate for the State of CT.

Quality of mind and process
Thoughtful and responsive
A resource for all health consumers in our state.

Kevin has brought together a staff that reflects the same work ethic and focus on mission as his own. Everyone who works there is clear about what it is they do. Because of Kevin's leadership, it is a mission driven organization that has made an enormous difference to the health care consumers in this state.

You will be hearing a lot of testimony in support. It is richly deserved.
