Re: Personal Reference Concerning Pamela Partridge-West

Dear Senator Looney and Representative Janowski:

I submit this reference in support of Pamela Partridge-West's nomination to serve on the Judicial Review Council.

I have known Pamela Partridge-West since the early 1990s. I have worked together with Mrs. West in a professional capacity and also had the opportunity to know her on a personal basis. Mrs. West and I worked together as board members on the Connecticut Women's Council. She was also instrumental in the formation of the Children's Law Center, on whose Board I served for many years. In addition, as a partner at Robinson and Cole, LLP, I had an opportunity to work in a professional capacity with Mrs. West while she was at U.S. Trust.

My experience with Mrs. West has been that she is an outstanding leader and community member. Over the years, her commitments to volunteer organizations and community activities have made a difference in the lives of many individuals and organizations. Mrs. West approaches her professional and volunteer activities with tenacity, intellect and unsurpassed commitment.

Mrs. West is a person of integrity. She is true to her word. In the years that I have known Mrs. West, she has been devoted to her family and her two children. She is eager to provide assistance to those in need, family and friends, and she is gracious and generous with her time, talents and skills.

I have found Mrs. West to be a person who is fair and capable of sifting through the facts of complicated situations to arrive at appropriate and wise decisions. It is without qualification that I support her nomination to the Judicial Review Council.

Respectfully submitted,

Anne M. Noble, Esquire
