To Members of the Labor Committee:

My name is Jay Charkow and I am the Vice President of International Tariff Management,

I am writing to voice my opposition to HB-6187, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut.

Very truly yours,

Jay Charkow

Jay Charkow
Vice President
