To Members of the Labor Committee:

My name is Frank Mascia, Manager, Human Resources at United Aluminum Corporation in North Haven, CT. United is a small rolling mill which employs 100+ people.

I am writing to voice my opposition to HB-6187, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut to enable small manufacturing companies to stay afloat and prosper.

Thank you.

Very truly yours,

Frank C. Mascia  
Manager, Human Resources
