To Members of the Labor Committee:

My name is Michael Grant. I am the managing member of Housing Consultants, LLC located at 145 Sisson Avenue, Hartford.

I am writing to voice my opposition to HB-6187, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees, including health insurance and employee bonuses.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut.

Thank you.

Respectfully,

Michael Grant
