To Members of the Labor Committee:

My name is Marlene D Jung CPA, of Marlene D Jung, CPA, LLC in Avon CT and I am a CPA firm representing many business clients trying to make a living in Connecticut and provide jobs within Connecticut.

I am writing to voice my opposition to HB-6187, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase my own and my clients business costs and could force us to reevaluate the other benefits we provide our employees.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut.

Thank you,

*Marlene D Jung CPA*
