### Administration of the International Registration Plan

---

**Section 1.** Section 14-34a-2 of the Regulations of Connecticut State Agencies is amended to read as follows:

**Sec. 14-34a-2. Administration of the International Registration Plan**

For the purposes of orderly administration of the International Registration Plan, (herein referred to as IRP) the following procedures shall apply:

(a) Application for registration - In accordance with the provisions of Article IV, section 402, the application for a proportional registration shall be submitted to the Department of Motor Vehicles together with a nonrefundable deposit of twenty-five (\$25.00) for the first vehicle plus ten dollars (\$10.00) for each vehicle in the fleet, which deposit shall be credited toward the total fee computed by the department. A bill for the remainder of the fee shall be sent to the applicant. Payment of the fee may be made in [cash (only when applying in person),] certified check or money order.

(b) Trip permit - A trip permit as described in Article XIV may be issued to any apportionable vehicle either fully or proportionally registered in an IRP jurisdiction. A trip permit will be valid for a period of seventy-two (72) hours.

(c) Temporary authorization - Any IRP registrant based in this state, and in good standing, may apply for and be issued temporary authorization to operate a vehicle not in such registrant's fleet for a period not to exceed forty-five (45) days. Any person to whom temporary authorization is issued shall submit an application for permanent registration for the vehicle covered by such temporary authorization [within ten days of the date of its issuance. Failure to submit an application for permanent registration within such Ten-day period may result in the suspension of the temporary authorization and such other suspension action with respect to the registrant's fleet as the Commissioner deems appropriate].

(d) Hunter's permit - A permit may be issued to an owner-operator for registered gross weight not in excess of the empty weight of the vehicle as provided for in Article IX, section 910, for a period of twenty days.

(e) Fees - The following fees shall be charged for the item or service indicated:

(1) Trip permit - \$15.00

(2) Temporary authorization - \$15.00

(3) Hunter's permit - \$20.00

(4) A fee of \$2.00 shall be charged in addition to the basic fee when any type of vehicle operating privilege is transmitted by wire or other electronic means.

**Sec. 2.** Section 14-34a-1a and Section 14-34a-1b of the Regulations of Connecticut State Agencies are repealed.

STATE OF CONNECTICUT  
Regulation

Department of Motor Vehicles

Statement of Purpose:

Purpose: With the amendment of Section 14-34a, subsection (d) of the Connecticut General Statutes by Public Act 08-150, subsection 6, the state adopted the International Registration Plan (IRP), as it may be amended from time to time. Therefore, the regulation sections which contain the Plan and its Appendix are repealed. Future amendments to the IRP will not necessitate a change to the regulation, in order to have the state's IRP consistent with the current IRP.

Summary of Main Provisions:

Subsection (a) – Due to the large sum of money required in payment, the ability to make a payment by cash is being eliminated.

Subsection (c) - Temporary authorization may only be obtained by a Connecticut IRP registrant in good standing (i.e. a registrant that does not have any outstanding and unpaid IRP fees).

Subsection (c) - The requirement to file an application for a permanent IRP registration, for a vehicle covered by a temporary authorization, is required.

Legal Effects of the Regulation:

The International Registration Plan, as it may be amended from time-to-time, is adopted by the State. The state will now follow the most current IRP plan and not a version in the department regulation, which has not been updated.
