## Written Testimony of Ron McLellan, President

### Connecticut Employees Union Independent, SEIU Local 511

*Senate Resolution –Appointment of Lawrence D. McHugh as a Member  
and Chair of The Board of Trustees for The University of Connecticut.*

Good morning distinguished Co-Chairs and Members of the Executive  
and Legislative Nominations Committee.

My Name is Ron McLellan and I am the President of the Connecticut  
Employees Union Independent, SEIU local 511. We represent the  
4,500 employees of the NP-2 Maintenance and Service Unit, including  
approximately 700 employees at the University of Connecticut and  
UConn Health Center.

It is my pleasure to hereby support the appointment of Lawrence D.  
McHugh as a Member and Chair of The Board of Trustees for The  
University of Connecticut.

Mr. McHugh has a proven track record of leadership, vision, and  
collaboration. This record is a result of a unique blend of experience  
both in the private and public sector. In the private sector, Mr. McHugh  
serves as the President of the Middlesex Chamber of Commerce.  
Additionally, he has served a significant public sector role as Chairman  
of the Connecticut State University System Board of Trustees.

The State of Connecticut, the University of Connecticut, and the UConn  
Health Center face some serious challenges ahead. It is our opinion

that Mr. McHugh will meet the challenges head on by listening to and working with all of the stake holders. He will help chart a course that meets the needs of the University of Connecticut, UConn Health Center, the public service workers, the business community, and the citizens of Connecticut.

For all these reasons, CEUI/SEIU Local 511 supports the appointment of Lawrence D. McHugh as a Member and Chair of The Board of Trustees for The University of Connecticut.
